HINTS FOR HOMEMAKERS

By Irene James, Home Service Director, Virginia Electric And Power Company

Our winter days are short and so often on Sunday or a holiday after a heavy mid-day meal we require only a simple supper, but unlike the summer evening when a cold snack is the thing, we wish to serve something hot. Friends may drop in and we would like to serve them something tasty.

Let's take the Waffle Baker off the shelf—Waffles are so versatile. Such a variety of batters and these batters may be prepared well in advance.

When heating your waffle baker always have it open until the heat is uncomfortable to the hand—then close it to complete the heating. It is especially desirable to do this if the baker has been stored where it is quite cold. This treatment prevents sweating. Sweating often causes the first waffle to stick.

There are many ways of serving waffles. Waffles and syrup served with thin slices of Smithfield ham and hot coffee.

Waffles with one-half of the shortening left out and one-half cup of pork sausage added.

Waffles with one-half cup crisp bacon broken to bits.

Waffles topped with cream beef, creamed turkey or chicken a la king, served with fresh fruit—hot chocolate.

Dinner Waffles — Makes 8
3 beaten egg yolks
2 c milk
3-4 c melted shortening
3 c flour
1 tsp salt
3 1-2 tsp baking powder
3 stiff beaten egg whites

Combine egg yolks, milk and shortening. Add flour sifted with salt and baking powder—beat smooth. Fold in egg whites.

Crispy Waffle
2 beaten egg yolks
2 c buttermilk or sour milk
1-3 c salad oil
2 c flour
1-2 tsp salt
1 tsp baking powder
1 tsp soda
1 tsp sugar
2 stiffly beaten egg whites

Combine egg yolks, milk and salad oil. Add flour sifted with salt, baking powder, soda and sugar—beat well. Fold in egg whites—Bake hot waffle iron.

Waffles may be used for dessert.

Devil's Food Waffles
Cream 1-2 cup of butter with 1 cup sugar. Whip in 2 well beaten eggs. Add 1-2 cup milk. Sift 1-2 cups pastry flour with 2 tsp baking powder and a pinch of salt. Add to the liquid mixture and beat hard. Melt 2 squares of unsweetened chocolate and pour into batter with 1 tsp vanilla and pinch of cinnamon.

Heat waffle iron brush with butter. Bake as any waffle. Serve hot with whipped cream or marshmallow between.

Gingerbread Waffles
2 c molasses
1 tsp powdered ginger
3 c flour
4 tsp baking powder
3-4 c butter
1-4 tsp cinnamon
1 c buttermilk
2 tsp soda
1-4 tsp nutmeg
2 eggs beaten very light

Bring molasses and butter to boiling point. Stir in soda, ginger, cinnamon and nutmeg. Remove from fire and add sifted flour and buttermilk alternately add eggs and baking powder. Bake slowly and serve with whipped cream. Sliced bananas add an interesting touch in serving.

Sweet waffles may be used to make any of the fruit short cakes.
