

Jamesville Teams Are Still Court Champions

Boys Defeat Bear Grass, 26 to 16, To Win County Title

And Jamesville Girls Come From Behind To Take Robersonville 27-18

Jamesville High School proved its ability on the court here last Friday night in the final round of the annual county basketball tournament, taking top honors in both the boys' and girls' divisions. The Jamesville girls were victorious over Robersonville, 27-18, while the boys won out over a scrappy Bear Grass quint, 26-16.

Presenting the beautiful trophies to the winning teams, Rev. Z. T. Piephoff made a short talk on sportsmanship, paying tribute to the losers as well as the winners, and complimenting the officials, Sam Edwards and Hack Gaylord on their capable handling of their duties. The girls' trophy was presented to the captain of the team, Miss Rosalyn Mizelle, the squad being coached by Mrs. Grace Ayers. Captain Ghurman Ange received the boys' trophy for the Jamesville team, which is coached by Jim Uzzie. A large crowd witnessed the finals exhibition.

In the girls' contest, Robersonville started off strong, taking a 5-3 lead in the first quarter, but Misses Wallace and Mizelle found their eye in the second period to put Jamesville in front 10-8 at half-time. While holding Robersonville to a lone field goal in the third period, the champions continued to increase their lead, with Wallace and Mizelle leading the way, to hold an 18-10 edge at the end of the third period. Jamesville's defense slowed down in the final period somewhat, but the outcome of the contest was never in doubt during this quarter. The final score—Jamesville 27, Robersonville 18.

R. Mizelle was high scorer with six field goals and one free shot, while Miss Wallace followed close behind with 10 points. Miss H. Everett was high for the losers with seven points. On defense Calloway for Jamesville and Edmondson for Robersonville, were outstanding.

Starting off at a scorching pace

WILL OPEN SATURDAY MARCH 7, 1942

All-Tourney Selections . .

According to custom, Sam Edwards and Hack Gaylord, referees; and Jack Butler, time-keeper, announced the following all-tournament teams:

- Girls' Division**
Rosalyn Mizelle, Jamesville, f
Jo Everett, Robersonville, f
Olivia Rogerson, Bear Grass, f
Betty Calloway, Jamesville, g
Juanita Edmondson, R'ville, g
Ida Mae Corey, Farm Life, g
- Boys' Division**
Elwood Brown, Jamesville, f
Earl Roberson, Bear Grass, f
Dalma Manning, Farm Life, c
Ghurman Ange, Jamesville, g
Virgil Wobbleton, Bear Grass, g

which never slowed up until the final gun, Jamesville and Bear Grass boys staged their usual exciting battle. Bear Grass went into the lead in the first period 4-3, as the Jamesville quint was unable to connect with the basket. But the Bears' lead was erased in the second stanza when three field goals, and two free shots gave the winners a 11-9 edge. Bear Grass slumped miserably in the third period registering a lone field goal while Jamesville went on to gather an 18-11 lead, with both teams spurring into the final period, Bear Grass' rally falling short of victory.

Corey was tops for Jamesville in scoring 11 points, while Brown played an exceptional floor game. Roberson, held to one field goal in the first half, scored three more in the last two periods to lead Bear Grass. Wobbleton turned in a fine performance at his guard post.

Progress
Substantial progress was made in providing Federal inspection and market news service to tobacco growers in 1941, reports the U. S. Department of Agriculture.

Extension
President Roosevelt has approved a five-year extension of the Soil Conservation and Domestic Allotment Act to January 1, 1947, authorizing AAA payments and CCC price-supporting loans.

Shorty Corey Puts Those Eagles Back In Victory Column

Williamston's low-flying Eagles flew to their highest offensive perch of the season last night as they gained a 42-38 win over the Farm Life Independents in a fast and furious game played before a packed house in the new Farm Life gym. In accounting for their fifth win of the season, the Eagles scored more points than in any previous game.

The battle was nip and tuck all the way with the Eagles staying slightly ahead all of the game except during a part of the third period. At the half the score was 16-15 in favor of the winners. The locals rallied, with the score 36-34 in their favor and three minutes left to play, to score a half-dozen points while holding their opponents to two to clinch victory and thus avenge a one-point setback handed them there last week.

This win gives the Eagles two victories out of five games against the Farm Lifers for this season's play.

Leading the scoring as usual for the Eagles was Shorty Corey, the elongated center, who had 10 points per half for a total of 20 for the evening, and he was followed by Deacon Cobb, with eight, and Dawse Cooke with six. Jack Fitzgerald played a good defensive game.

Clifton Ward, center, was high for the losers, with 11 points, while Kenny Harrington had seven. Fred Griffin was next with six.

On Thursday night the Eagles will meet the strong Rocky Mount Y team there. In a previous meeting of these two clubs, the "Y" scored an easy victory, but with the Eagles "slightly" improved and the "signing" of Pap Diem for this game, they hope to give a good account of themselves.

Happenings In The Farm Life School

The Farm Life students are determined to do their part in the National Defense program. Most of the students have purchased defense stamps and nine have purchased defense bonds. They are doing this on a systematic manner—with the idea of saving their money as well as aiding in defense.

The students have organized committees to collect waste paper and tin tubes, which they intend to contribute to the defense program.

That the students will do their part has already been manifested by their contributions to the Red Cross of \$25, and \$28 to the infantile paralysis drive, and their investment to date in stamps and bonds amounts to \$289.25.

Last Friday Mr. J. E. Eubanks discussed the Victory Garden program before the student body and asked their cooperation and pledged his and that of the Farm Security Administration to them.

The Farm Life basketball team will play the High High team in the new Farm Life gym Thursday, Feb. 19, at 8:30 o'clock War Time.

Dr. M. R. Evans, the State dentist, has just completed his work at the Farm Life school.

Stamp Necessary On Package Seed

Raleigh—Any wholesaler of package seed making shipments to North Carolina merchants are required by law to purchase and affix inspection stamps, "and merchants informed to the contrary are being misled," D. S. Coltrane, assistant to the Commissioner of Agriculture, announced today.

Meanwhile, the seed inspection force of the State Department of Agriculture is planning an intensive campaign against dealers in package seed to which inspection stamps have not been attached.

"The 1941 Seed Act passed by the General Assembly places the responsibility of securing inspection stamps for package seed on the wholesaler shipping seed into the State," Coltrane explained. "Stop sale orders will be issued immediately where package seed are found without inspection stamps."

Four wholesalers of package seed are complying with the inspection stamp provisions of the Seed Law. "Other wholesalers," Coltrane emphasized, "are assuming an indifferent attitude to the law and some merchants are being misled as to the requirements under the inspection stamp provisions of the act."

The provision of the Seed Law, requiring that inspection stamps be affixed by wholesalers on package seed shipped into the State, follows:

Marines Are Still A Gallant Crew In War

On a tiny coral isle in the middle of the Pacific Ocean, a staunch group of Marines resisted for days the attempts of Japan to establish a base.

"A \$1 inspection stamp shall be purchased from the Department of Agriculture for each 72 dozen packages of vegetable or flower seeds, or fraction thereof. The said stamp shall be secured by the producer, grower, jobber or other person, firm or corporation shipping such seed into the State before shipment to agent or retailer, and shall be furnished to said agent or retailer for attachment to display case."

Resident wholesale distributors of package seed are also charged with the responsibility of attaching inspection stamps to each unit (72-package box or fraction thereof) offered for sale in the State.

Inspects Hospitals

Dr. Luthero Vargas, son of President Getulio Vargas of Brazil, is pictured with his wife, Mrs. Inge Vargas, after their arrival in New York City. He has a special commission from a Brazilian medical body to inspect a number of U. S. hospitals.

a base. Wave after wave of Japanese planes swooped low over Wake Island spraying death with bombs and shells exploding around him, com-

machine guns. Japanese ships kept up a constant bombardment.

Many sons of Nippon went to the land of their ancestors, but still they attacked, and still the Marines held their ground. Hawaii finally established contact with Wake and asked if anything was needed. The commanding officer of the Marines then it is reported, made the classic remark, "Yes—send us more Japs."

But such defiance is not without precedent in the annals of the Marines. During World War I, some where between Chateau Thierry and Paris, Capt. Lloyd W. Williams and his company of Marines were ordered by a French officer to retreat before the Germans advance. "Retreat Hell, we just got here!" was Williams' reply.

Going back to the Spanish American War, on the night of February 15, 1898, the U. S. S. Maine was mysteriously blown up while lying in Havana harbor. Calmly picking his way through dead and wounded, the lights of the vessel extinguished, shells exploding around him, com-

partments filled with smoke, and the vessel itself rapidly sinking, Private William Anthony of the Marine Corps made his way below decks to the cabin of Capt. Sigsbee and said, "Sir, I have to report that the ship has been blown up and is sinking."

The motto of the Marine, "Semper Fidelis" (Always Faithful), is something more than a slogan to this amphibious fighting man. It is a symbol of loyalty to his country which he will protect to the death. Bred in the best traditions of Mars, the incident at Wake Island adds another niche to the illustrious past of the U. S. Marines.

The U. S. Marines have made almost 200 landings to protect Americans abroad during the 166 years of their organization.
