VERSATILE GELATINE

Colorful foods, as well as gay table linens, china and glass help the homemaker introduce a note of spring on the dining room table. Gelatines, tart, cool, colorful, and tender, or those that have been whipped until they are white and fluffy are in keeping with the sparkling days of spring. They are so obliging in adapting themselves to flavor and form that we find them appearing in any course in any meal.

The following recipes offer some pleasing combinations of fish, fruit, meat and vegetables in gelatine dishes, all of which fit into the daily yardstick requirement.

Salmon Loaf
1 can salmon
3 tsp onion
1-4 green pepper
1 tsp chopped parsley
1-2 cup celery
1-2 cups spiced vinegar
2 tsp lemon juice
1 tsp gelatine
Drain and flake the canned salmon, add the minced onion, pepper, parsley and celery. Dissolve the gelatine in some of the cold vinegar. Heat the remaining vinegar and lemon juice and add gelatine. (Sweetened vinegar from a can of pickles is excellent for such purposes, or make your own spiced vinegar, using recipe below.) Pour liquid over fish mixture, place in a mold and chill before serving.

Spiced Vinegar
1 cup vinegar
1-2 c water
1-2 c sugar
6 whole cloves
3 pieces cinnamon bark (about 1-4 inch long)
Combine vinegar and water. Add sugar, cloves and cinnamon bark. Bring to a boil, then cook slowly for about 5 minutes.

Jellied Chicken and Vegetables
1 tsp gelatine
1-4 c cold water
1-2 c hot chicken stock (canned broth or soup may be used)
1-2 tsp salt
1 cup chicken, sliced or chopped
1 c vegetables, cooked peas, string beans, beets, carrots, asparagus, etc.
1-2 pimento or green pepper
Soften gelatine in cold water. Add to hot stock and stir until dissolved. Add salt and cool. Rinse a mold in cold water, pour in a thin layer of the liquid jelly, let stiffen slightly and decorate with peppers and other vegetables. Arrange the thickening jelly, chicken and vegetables in layers and chill before serving.

Golden Salad
1 tsp gelatine
1-4 c cold water
1 c hot pineapple juice
1-4 c mild vinegar
1-2 c orange juice
1-4 c sugar
1 c raw carrots (grated on coarse grater)
1 c oranges, cut in small pieces
1-2 c canned pineapple, cut in small pieces
1-4 tsp salt
Soften gelatine in cold water. Add sugar, salt and hot pineapple juice and stir until dissolved. Add orange juice and vinegar. Cool and when jelly begins to stiffen, add other ingredients. Turn into mold that has been rinsed in cold water and chill. When congealed, unmold on lettuce.

Snow Pudding
1 tsp gelatine
1-4 c cold water
1 c hot water
1-4 c lemon juice
1 tsp grated lemon rind
3-4 c sugar
Whites of two eggs
1-4 tsp salt
Soften gelatine in cold water. Add sugar, salt and hot water and stir until dissolved. Add lemon juice and grated rind of the lemon. Occasionally stir the mixture, and when quite thick beat with wire spoon or whisk until frothy. Add whites of eggs beaten stiff, and continue beating until stiff enough to hold its shape. Turn into mold that has been rinsed in cold water. Chill and when firm unmold and serve with cooked soft custard made of yolks of eggs.

Marshmallow Cream
1 tsp gelatine
1-2 c cold water
1-2 c hot water
1 c sugar
1-4 tsp salt
Whites 4 eggs
1 tsp vanilla
1 tsp lemon extract
1-2 squares chocolate or 4 tsp cocoa
Soften gelatine in cold water. Add hot water, sugar and salt and stir until dissolved. Cool, but do not chill. Add to stiffly beaten egg whites a few spoonfuls at a time, beating constantly. Divide quickly into three parts. To the first part add vanilla flavoring and color pink; to the second part add melted chocolate or co-

IN AIR SCHOOL

Harry William Stubbs, young son of Mrs. J. E. Smith, of Windsor, and a native of Williamston, recently received his appointment as a Naval Aviation Cadet and is now at Pensacola, Fla., for flight training.

After attending Wake Forest College for more than two years, the young man volunteered his services and was sent to the Naval Reserve Aviation Base at New Orleans last November. Successfully passing the tests and examination there he was transferred to Pensacola. Upon completion of an intensive seven-months course at the "Annapolis of the Air" the former Williamston young man will receive his designation as a Naval Aviator with a commission as Ensign in the Naval Reserve or as a 2nd Lieutenant in the Marine Corps, and will be subject to immediate call.

BASEBALL AT EDENTON

Although the outlook for a local baseball team here is definitely gloomy, fans of this section are expected to journey over to Edenton tomorrow and Sunday to see several teams training there in action.

On Saturday afternoon at 3:30 the Binghamton, N. Y. club of the Eastern League, will play Norfolk. Ches Sparr is training with the Piedmont league entry, and has an excellent opportunity of playing first base or in the outfield for Norfolk this season. Ernie Koy, the Kinston hurler who was poison to the Martins last season, is also on the Norfolk roster.

The Binghamton club will meet the Norfolk Orioles in the Edenton park Sunday afternoon.

Visiting in Oak City
Mr. and Mrs. Lance Johnson spent the week-end in Oak City.

Coconut and vanilla flavoring, flavor the third part with lemon extract. Mold in layers in square mold that has been rinsed in cold water. Add nuts to the pink part and red cherries to the white. Chill until firm. Unmold cut in slices, and serve with whipped cream or custard sauce.

Happenings In The Oak City Schools

The last meeting of the Parent-Teachers Association will be held on Thursday, April 9th, at 8:30 o'clock. All members are urged to be present.

The Home Economics department is sponsoring an open house the same evening.

Because of the above conflict in dates, the Ruritan club will meet on Wednesday evening, April 9th, instead of the regular date.

Baseball practice is in full swing. The Oak City team has broken even so far, winning one and losing one game.

At our chapel program Monday, March 30th, a special guest in the person of Albert Gray Bennett, member of the Navy, was present and gave a vivid description of the terrible happenings in Pearl Harbor on December 7th. He was on the Downes when it was blown up.

The following names have accepted as commencement speakers: Rev. N. E. Gresham, Baptist minister of Tarboro, will preach the baccalaureate sermon on Sunday morning, May 3rd, at 11 o'clock War Time in the school auditorium. Marvin K. Blount, candidate for Congress, will deliver the address on Monday evening, May 4th, at 8:30 o'clock in the school auditorium.
