

WE DID IT BEFORE...

Yes Back in 1776 We Fought For Democracy and Freedom — and WON!

AND WE MUST DO IT AGAIN!

Their Superb Courage Plus Your War Bonds Made This Possible — Let's Keep on Doing It

"A running fight between the bomber and the 18 Japanese pursuit planes continued for 75 miles . . . continued until the remaining pursuit ships exhausted their ammunition and turned back. With two engines gone and the plane practically out of control, the American bomber returned to its base after dark and made an emergency landing. THE MISSION HAD BEEN ACCOMPLISHED."— President Roosevelt in his Fireside Chat, April 28, 1942.

There, in the words of President Roosevelt, is one of the war's most stirring episodes—a demonstration of how, with one man killed, another man's hand shot off, and a third man injured, our American boys stuck to the fight, bombed their objective, and brought their plane home.

Undoubtedly you felt a thrill when you heard it over the air, and maybe you'll have another thrill reading it again.

But your thrills won't win the war!

It takes planes—thousands of them—and tanks—thousands of them—and shells—millions of them

—and bullets—billions of them! It needs ships and guns and jeeps . . .

It takes Money!

It takes the money of All of us—the girls at their typewriters, the men at their machines—the clerks, the farmers, the messengers, the bookkeepers and the salesmen.

It needs a surging, patriotic Nation of people who love their country enough to buy a share of America by investing 10% of their wages every payday — a dime from every dollar — in War Bonds.

It needs—and it's getting it!—the cooperation of

Labor and Management to put the Payroll Savings Plan over the top.

Your money in War Bonds—10% of your salary every payday—not only will help pay the bill to create the most powerful blasting force ever put together—but you'll do yourself and your family a favor, too.

Because every time your savings amount to \$18.75 you'll get a War Bond—worth \$25 in ten years.

You don't give your money—you invest it, both for Victory, and for your own personal security.

That's your mission — will you accomplish it?
