

Total of \$1,041,841 Spent For Liquor Since Stores Open

(Continued from page one)

	1941	1942
Williamston	\$ 5,547.05	\$12,359.57
Robersonville	3,177.72	6,963.37
Oak City	1,002.04	1,889.74
Jamesville	857.71	1,965.21
	\$10,584.52	\$23,177.89

The profit pie is apportioned as follows: State of North Carolina, \$6,692.12; Law Enforcement Reserve, \$1,648.58; Martin County, \$11,869.75; Town of Williamston, \$1,603.35; Town of Robersonville, \$900.78; Town of Oak City, \$229.69; and Town of Jamesville, \$233.62.

After spending \$52,972.61 for liquor, the County ABC system had \$27,384.64 left. Of that amount, \$5,159.08 was spent, \$2,383.45 for salaries and wages, \$171 for rent, \$584.71 for supplies, \$42.57 for heat, water and lights, \$77.82 for miscellaneous items, \$1,905.71 for administrative and general expenses, leaving a net operating income of just about \$22,225.56. This amount was supplemented by \$1,009.71 earned in discounts. A small amount, \$57.38, was deducted to care for depreciation. Bond, insurance and federal and state licenses boosted the total administrative costs during the quarter.

The stores started the current quarter with \$75 in the petty cash fund, \$110 in the change fund and \$33,270.52 in the banks. Inventories, showing a slight decrease from the second quarter figures, were valued at \$15,837.39, and fixed assets were valued at \$678.13, making a total of \$49,771.04 in assets. After paying \$17,524.10 to the foreign distilleries, \$2,814.43 in accrued sales tax, and dividing the profits to the various political sub-divisions, the board will have a surplus of \$12,000.

A review of sales, by quarters, from the time the stores were opened in July, 1935, through last September 30th, follows:

Quarter Ending	Sales	Profits
Sept., 1935	\$ 22,249.35	\$ 2,743.11
Dec., 1935	37,379.29	9,887.99

Former Resident Of County Passes

Mrs. Virginia Elizabeth Hopkins, widow of J. S. Hopkins and for forty years a resident of this county, died at the home of her daughter in Aulander early Sunday morning following a stroke of paralysis.

The daughter of the late H. S. and Annie Woodley Hopkins, she was born in Washington County 80 years ago the 24th of last January. Some time after her marriage, she moved to this county and located in Griffins Township where she lived until her husband's death back in 1932. Since that time she has made her home with the children, spending the last four years with her daughter, Mrs. Wilson Rogers, in Aulander. When in Washington County she joined the Episcopal church, but moved her membership to the church at Macedonia after moving to this county.

Besides her daughter in Aulander she is survived by two sons, Leamon Hopkins, of Williamston, and Tom Hopkins, of Wilmington, and a daughter, Mrs. Wilson Holliday, of Roanoke Rapids.

Funeral services were conducted at the grave site in the Lily Cemetery in Griffins Township yesterday afternoon at 2:30 o'clock.

Green Wave Loses To Columbia, 7 to 0

Williamston High's Green Wave was defeated by Columbia here last Friday night by a score of 7-0. Columbia's winning touchdown coming in the fourth period as a result of brilliant running by Pledger and Corcum.

The stage for the winning score was set midway of the fourth period when Lilley fumbled on the Williamston 23 yard line. Pledger and Corcum charged through the Williamston line for two first downs to place the ball on the three, from which point Corcum scored.

Rhodes caught a pass in the end zone to make the score 7-0 for the visitors.

The locals played good ball at times, but were never able to launch any converted attack. In the third period a recovery of a fumbled punt gave Williamston the ball on the visitors eight yard line, but an attempted pass fell into the hands of the enemy, denying the Green Wave further chance to score.

The teams were very nearly matched, much of the play for the first three periods being between the twenty yard lines. Fred Hardison's fine kicking kept the locals from trouble several times during the evening.

In addition to fine kicking, Hardison played an excellent game at tackle, and was probably the outstanding player of the game.

Collin Peele at center played his usual fine game, as did John Goff, right guard.

The Columbia game marked the end of the season for Williamston High School. While the locals were able to win only two games, their season was by no means unsuccessful. Starting without a coach, they defeated Hertford and Windsor and tied Manteo. They went down in defeat before Edenton, Washington, Plymouth and Columbia.

Their hardest game was the Washington game; their best play came during the Hertford game when their fine spirit and coordinated attack made them unbeatable.

Undergoes Operations In Baltimore Hospital

Undergoing operations on his ears in a Baltimore hospital about ten days ago, O. S. Anderson, Jr., is recovering rapidly and after a short stay here with relatives left this morning for his base in Waycross, Ga. The young man was until recently stationed at Aberdeen, Md.

War As It Relates To Home Front Is Reviewed for Week

(Continued from page one)

The combined raw materials board in some instances cuts out steps in shipping or manufacture in order to speed up results. For example, the practice of sending U. S. tungsten to England for manufacture into ferro-tungsten, which was shipped back to Canada, has been stopped. We now supply Canada directly with ferro-tungsten, and instead of sending Russia more manufactured rubber tires made to Russian dimensions, we are sending a tire manufacturing plant, bought by the Government from the Ford Motor Company.

Within our own borders, economic war planning is carried on with increasing vigor. A long-range plan for controlling the flow of critical materials into war production — the controlled materials plan — has been put into effect by the War Production Board. The plan tightens control of critical materials and puts into effect a system of allotments to war contractors from available supplies of these materials, in order to assure that war plants can meet production requirements. The first materials to come under the new plan are carbon and alloy steel, copper, and aluminum.

Marriages Set New Record in October For Year To Date

(Continued from page one)

Willie Bowen and Mary Belle Baker, both of Williamston.

William Brown and Alice Sykes, both of Williamston.

Levi Savage and Elnora Knight, both of Palmyra.

James G. Godard and Vester Lee Godard, both of RFD 3, Washington.

Turner Parker and Esther Bryant, both of Oak City.

Jesse Elwood Cherry and Lillie Bell Barnhill, both of Windsor.

James C. Overton and Martha E. Coleman, both of Robersonville.

Turning Point Is Believed Reached In War On Hitler

(Continued from page one)

Russia, receiving the African news jubilantly, continues to wipe out the Germans and hold strong on a 1000-mile front. Attacks in Stalingrad have been repulsed, and the Russians have gained in the Central Caucasus territory.

During the past three weeks, forty German subs have either been sunk or damaged. And today the air over the English Channel is alive with fliers, scuttling across to attack German and occupied territories.

Hitler, with added fronts to guard, is on the hot spot just now, but it must be remembered that the Allies started in France last war and that today they have not reached that starting point.

Reports Scrapped From The Nation

Wilmington, N. C.—The Atlantic Coast Line Railroad predicts a collection of more than 100 million pounds before the end of 1942 in its scrap salvage drive.

Patrolman W. S. Hunt, of Murfreesboro, visited here this afternoon.

THE RECORD SPEAKS . . .

For the second consecutive time, Martin County motorists traveled through a week without a single accident. It is one of the few times in years that a perfect record was established in two weeks running.

Highway patrolmen state that traffic during the week has reached a low point in the county and possibly that accounts for the perfect record. However, the patrolmen point out that traffic continues unusually heavy during the week-ends, and that would indicate that motorists are exercising greater care in their operations.

The following tabulations offer a comparison of the accident trend: first, by corresponding weeks in this year and last and for each year to the present time.

45th Week Comparison			
Accidents Inj'd Killed Dam'ge			
1942	0	0	\$ 000
1941	4	2	0 500
Comparison To Date			
1942	58	35	4 \$ 7,208
1941	84	51	6 21,330

Big Percentage Of Draftees From the County Is Rejected

(Continued from page one)

Edward Butler.

These men are to report back to the induction center very shortly. Even before they could spend their 14-day furloughs, another group of colored draftees left the county for the induction center. The latter group is expected to return home today to spend seven-day furloughs.

Names of the men rejected out of the October call are, Jonah Oscar Clemmons, Jr., Leslie Mooring, Colie Sykes, Lee Ward, Ralph Allen Keys, Samuel Thomas Williams, Vance Andrews, William Henry Lloyd, Wheeler Smith, Augustus Vandrew Braswell, Lanza Lloyd, Arthur Brown, James Author Brown, William Eleanora Hodges, Solomon Keys, Walter Moore, William David Fields, James Edward Reed, Charlie Columbus Gainer, Thad Katch, Booker T. Wynn, William Jordan and William Augustus Woolard.

The following men were transferred to other boards, Capehart Williams to Camden, N. J.; Jesse Ben Congleton and Fred Whitley to Philadelphia, Leroy Kibbrey to Brooklyn, Jacob Copper and Lechner Bennett to Norfolk.

First Honor Roll In Colored School

Following is a list of pupils meeting scholastic requirements to have their names appear on the first period honor roll in the local colored schools:

First grade: Annie Mae Goss, Claraetha Carroll, Geraldine Tillery, Fred H. Brown, Rudolph Slade.

Second grade: Lenora Harts, Roland Latham, Charlotte Cooper, Franklin Brown, Octoria Roberson, Joe James Cross, Jessiphine Johnson, Lina Matthews.

Third grade: Theodore Armston, Minnie D. Bell, Sarah Bunch, Mary N. Wynn, Nancy Woolard, Monzora Wilson, Barbara Stallings, Fred Morgan, Jasper Williams.

Fourth grade: Essie Mae Bond, Jean Bunch, Sadie Hill, Fannie L. Latham, Mattie W. Ormond, Emma Speller.

Fifth grade: Annie Gaynor, Mary Helen Whitley, Ricardo Carson, Johnnie Balance.

Sixth grade: Carrie Brown, Frank

Present Arm Bands To Post Observers

The first service for presentation of arm bands of the Aircraft Warning Service to be held in this district took place at the Hamilton School last Friday.

Mrs. Fred Poole, chief observer for the Hamilton post, presided over the meeting, which opened with the singing of the Star Spangled Banner.

Mr. Hugh Horton, chief of Civilian Defense, made a splendid talk. He emphasized the importance of this work. He said, "This service you are engaged in here is the very ground seal of Civilian Defense. It is extremely patriotic and necessary." He also said, "Never before in history has there been a real democratic war—everybody's war—the bombers have made it so." Mr. Horton expressed the thanks of the Office of Civilian Defense for the splendid cooperation of the people of Hamilton and urged them to keep it up.

Mrs. LeRoy Everett sang "God Bless America," accompanied at the piano by Mrs. Howard Bunn.

District director of the AWS, Mr. Paul Simpson made a short talk, also stressing the importance of this branch of Civilian Defense. He said, "This very system of aeroplane watching has been responsible for cutting down air raids in London." He thanked the chief observer for her tireless and conscientious work. Stating that this was the first group of observers to receive arm bands, he thanked not only those to receive bands, but those who started after the first group of volunteers, and who will soon be eligible for bands.

Since August 6th, when this post first began 24 hour operation, 299 aeroplanes have been reported. Outside of the chief observer, Elwood Everett heads the list of observers with 69 hours to his credit. After giving these facts, Mr. Simpson presented the arm bands.

Dunning the "pinning on" ceremony one of the assistant observers pinned on the chief observer's band. After this everyone stood and gave the oath of allegiance to the flag.

Mr. Clayton House reported that the men now have enough volunteers to take all night shifts once a month.

Mr. LeRoy Everett added the thanks of the observers, to Mr. Simpson's and Mrs. Poole's leadership.

The meeting closed with the singing of "America, the Beautiful."

Besides Misses Elizabeth Haislip, Eleanor Phippen and Mary Slade, who earned their bands before leaving for school, bands were presented to the following:

Messrs. and Mesdames W. J. Baech, Jesse B. Everett, Herman Everett, L. R. Everett, R. A. Edmondson, H. S. Johnson, Jr., Clayton House, T. B. Slade and R. Sears.

Mesdames Joe Cherry, Helen Andrews, Pat Davenport, Ruth Howell, Leo White, Rackley, E. M. Long and Myrtle Bunting.

Messrs. S. A. Ayers, David A. Boyd, Graham Allgood, Jeff Etheridge, Alvin Everett, Elwood Everett, Bob Edmondson, Sr., Bob Edmondson, Jr., Frank Haislip, William Ormond, Harper M. Peel, Sr., Harper M. Peel, Jr., Charlie Price, James Pritchard, Dick Slade, B. B. Taylor, Willie Thomas and Bernice Wynn.

Misses Margaret Bunn, Mildred Everett, Martha Council, Ethel Edmondson, Maggie Belle Jones, Jane Poole, Joy Stokes, Peggy Thomas and Effie Waldo.—Reported.

Simon Coltrain, of Fort Bragg, is spending a few days in the county with his parents, Mr. and Mrs. John R. Coltrain.

Eighth grade: Julia Evans, Mary G. Bunch, Lizzie Johnson, Norma Jones, Eva Mae Barnes, Mamie Ruffin, Vivian Evans.

Ninth grade: Ruth Jones, Louise Brown, Daisy Brown, Willie C. Ruffin, Dallas Hopkins.

Increased Activity Reported on Local Peanut Mart Today

(Continued from page one)

to turn over every pound of oil peanuts to the government," the aged farmer said as he figured out his allotment in the office of the county agent here yesterday afternoon.

Farmer Specializes In "Bigger" Turnips

"I don't like the things, but I enjoy growing them big," Farmer Perlie Moore said as he placed an unusually large turnip on display here last Saturday. The vegetable, weighing several pounds, had a full 19-inch circumference.

Questioned quite closely, Mr. Moore declared that he did not pull up the entire patch looking for the one big turnip. "There are odds of other ones just as big," he said.

WANTS

SMITH BROS. NURSERY CO. — Growers of fruit trees. Ornamental trees. Vines, plants, trees, shrubbery. Anything in nursery. Preston E. Cayton, Agent. Edenton, N. C. n10-et-m30
