

# Going out of Business

# SALE

**Begins Saturday, December 5th**

Due to our inability to keep our usually large stock complete, labor conditions, and other factors beyond our control, we are offering our entire stock of merchandise to you at **REDUCED PRICES** for a period of Two Weeks, beginning **SATURDAY, DECEMBER 5th** to December 19th inclusive. Should we be successful in selling our entire stock we will then operate on a Commissary basis until after the War. We have in stock a number of items that cannot be replaced today at any price, also a number of items that are now being made under WPB regulations—Work Clothing for instance—that will not be made to standard size, length or color. We list below a few of our many articles and special prices . . .

## FREE — ONE \$35.00 RADIO

In addition to the Special Prices that will prevail, we will give you a coupon with each dollar you spend, or pay on account, and on Saturday Night, December 19th, we will have a blind-folded child to draw a coupon, the holder of this Lucky Number to receive, absolutely free, one \$35.00 Radio, either electric or battery type.

## We Invite You to Come In and Look Over Our Stock

You might find what you want, just when you decided it was not available. We have thirty thousand dollars worth of good staple merchandise to select from. Take advantage of this sale.
