### STANCILL-FLOWERS

(Washington Daily News) A ceremony which united two of Washington's popular young folk took place on Saturday, December 12th at half after six o'clock in the afternoon in the First Christian Church, when Miss Adlene Flowers became the bride of Pvt. William E. Stancill, with the United States Army, stationed at Fort Bragg. The Rev. Harold Tyler, pastor of the church where the bride and bridegroom worship, spoke the marriage vows.

Prior to the ceremony, Mrs. Alton Weatherly, church organist, played a program of nuptial music using as her selections, "Poeme," by Fibich; "The Rosary," by Nevin, and the traditional marches by Wagner and Mendelssohn were played as the processional and recessional. Miss Mary O'Neal Pope, of Williamston, soloist, sang "Because," by D'Hardelot, and Schubert's Serenade was softly played as the young couple pledged their troth.

The bride and bridegroom entered the church together unattended and took their place before the altar. The bride, a lovely brunette, was attired in a two-piece tailored suit of beige chiffon wool.

The bride is the attractive daughter of Mr. and Mrs. Jesse J. Flowers of South Creek. She received her early education in the Aurora schools and graduated from the Aurora high school. She later took a business course and after receiving her diploma accepted a position with B. E. Singleton, manager of the Beaufort County Storage Warehouse, and several months ago went to Williamston where she has been employed with the Davis Pharmacy.

Mr. Stancill is the older son of Mr. and Mrs. William G. Stancill who reside on North Market Street extension. He attended the local high school, graduated from Porter Military Academy, and later attended The Citadel in Charleston, S. C. Prior to entering the United States Army on August 12th, he was employed with the American Telephone and Telegraph Company with headquarters in Greensboro. Due to his previous training he is now a private in the signal corps and is stationed at Fort Bragg.

Immediately following the ceremony Pvt. and Mrs. Stancill left for a wedding trip and after a ten day furlough Mr. Stancill will return to Fort Bragg and Mrs. Stancill will make her home here temporarily.

## A.W.O.L. WAAC Does Strip Act

When military police went looking for Kathryn Gregory, 22, a member of the WAACs who had gone A.W.O.L., they found her doing a strip tease in a Des Moines, Iowa, theatre. Kathryn says she is a former Earl Carroll performer. The M.P.'s and a WAAC officer took her back to the post where, according to commandant Col. J. A. Hogg, "the matter will be handled inside our group." This is a photograph. (Central Press)

### Honor Newark Hero

Brig. Gen. Ralph Robertson presents posthumously-awarded Silver Star to father of Pvt. Louis Schleifer of Newark, N. J., who died at Pearl Harbor. Schleifer was credited with shooting down a Japanese plane with a revolver before being killed. A memorial park and fountain were dedicated to his memory as Newark's first son to die in action. ## "Know-How" New Word In War Task

A word that is being used more and more as American industry directs its energies to supplying the armed forces with the weapons of war is "know-how." It means just what it says—how to make things faster and better—applying the knowledge gained from long years of experience. In turning out thousands of passenger and freight cars, for instance, Pullman-Standard Car Manufacturing Company developed production techniques down through the years. Now this "know-how" is being used in the production of tanks, howitzers, gun carriages, shells and other war material and in training workers to build submarine patrol vessels which soon will slide down the ways. To build these vessels, workers had to be trained, but the knowledge—the "Know-How"—gained in constructing modern all-welded, lightweight freight cars and streamlined trains simplified this problem.

Printing of the country's new all purpose ration books will take 87,000 pounds of ink, 7,500 pounds of paste, half a million pounds of boxing.

The shoe should hug your heel, with no gaping and no slipping when you walk. The fit should be firm at the bottom of the heel as well as at the top.

### CHRISTMAS GREETINGS

Christmas Greetings to my friends and relatives in Martin County. Although I am on foreign soil I wish to use the columns of the Enterprise to say Merry Christmas to everyone. I sincerely thank my friends for the letters and the packages sent me. They were all appreciated. Pvt. Jesse D. Heath.
