Extension Unit Offers Good Recipe For Making Sausage

North Carolina farm people have found the sausage recipe in Extension Folder No. 34, "Killing and Curing Meat on the Farm," to be good. For 50 pounds of pork (three-fourths lean and one-fourth fat) use one pound of fine table salt, 2 1-2 ounces of finely ground black pepper, and 3 ounces of sage. Mix these ingredients thoroughly and spread evenly over the meat. Then stir the meat well before chopping. A copy of the folder may be obtained free from the Agricultural Editor, State College, Raleigh.

NOTE OF THANKS

It is with grateful appreciation that I acknowledge the kind expressions of sympathy and thoughtful acts done during the recent illness and death of my son, Lester Peel. I'll never be able to repay those who were so thoughtful of us. I wish also to express my sincere appreciation for the beautiful floral offerings, for the telegrams and letters carrying messages of thoughtfulness and sympathy and to especially thank Dr. V. E. Brown and the nurses for their services. The acts of kindness will linger long in my memory.

Henry D. Peel.

IN REMEMBRANCE

In remembrance of our dear husband and father, Noah A. Cherry, who departed from this world the 23rd day of December, 1936.

No one knows how much we miss you.
No one knows the bitter pain
We have suffered since we lost you.
Life has never been the same.
In our heart your memory lingers,
Sweetly, tender, fond and true;
There is not a day, dear father,
That we do not think of you.
Days of sadness still come over us,
Tears in silence often flow;
Memory keeps you ever near us,
Though you left us six years ago.
The Family.

Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
