FOR SALE—A good guitar. Will sell cheap. Apply at this office.

The State Fair last week, held at Raleigh, was a complete success in every way. The exhibits were fine and the crowd which was simply immense was in the best of humor, except those who happened to the luck to run in contact with the pickpockets. Quite a number of people were relieved of their purses, still this did not keep them from having a good time. The State is to be congratulated in having such efficient officers at the head of the Fair as it has. Such men will make a success of anything they take hold of.

THE ELECTION.
The election last Tuesday was the most quiet here we have ever seen. Not a full vote was cast but it was purely Democratic from the start.
Toinsot township always does her part towards rolling up a Democratic majority which she did this time, while not as large as usual, still it was "right side up with care."
We have not been able to get the exact figure from all over the county, but it is safely Democratic by from 1190 to 1200 majority.

The Best Remedy for Croup.
(From Atchison, Kan., Daily Globe.)
This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world, is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Jno. L. Bailey & Co.

IS YELLOW POISON
in your blood? Physicians call it Malarial Germ. It can be seen changing red blood yellow under microscope. It works day and night. First, it turns your complexion yellow. Chilly, aching sensations creep down your backbone. You feel weak and worthless.
ROBERTS' CHILL TONIC will stop the trouble now. It enters the blood at once and drives out the yellow poison. It is neglected and when Chills, Fevers, Night-Sweats and a general break-down come later on, Roberts' Tonic will cure you then—but why wait? Prevent future sickness. The numerous cures know all about this yellow poison and have perfected Roberts' Tonic to drive it out, nourish your system, restore appetite, purify the blood, prevent and cure Chills, Fevers and Malaria. It has cured thousands—it will cure you, or your money back. This is fair. Try it. Price—25 cents. For sale by J. L. Bailey & Co.

Stepped Against a Hot Stove.
A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by Jno. L. Bailey & Co.

A LIBERAL OFFER.
The undersign will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This is a new remedy and a good one. For sale by Jno. L. Bailey & Co.
