"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

WIT OF PRESIDENT WOODROW.

New Head of Princeton Makes Himself Popular With Students.

A Princeton man tells of an incident of Dr. Woodrow Wilson's elevation to the presidency of Princeton which he regards as indicative of the way in which he will hold the students in leash by ready wit and a genial smile instead of trying to awe them with his dignity.

When darkness lent cover to the project, on the evening of the day on which the announcement of Dr. Wilson's election was made, some of the more boisterous spirits organized a celebration, and having requisitioned horns and a green grocer's stock of lettuce, descended upon the new president.

At the first toot of a horn he knew what was coming, but before he could break loose, Dr. Wilson was out among the serenaders, grasping each one by the hand and thanking them individually and collectively for their congratulations, pretending not to see the lettuce heads which the students made desperate efforts to keep out of view and to get rid of.

When the students recovered from this unexpected overthrow of their plans some one shouted:

"What's the matter with Woodrow Wilson?"

And the answer came loud and clear:

"He's all right. He's a brick."

The students then marched away, singing, "For he's a jolly good fellow," and carrying their lettuce heads with them.

EVERY DISTRICT IS DEMOCRATIC

The Legislature Will Have Large Majority of Democratic Members and Senator Pritchard Will Be Retired.

As a result of Tuesday's election in New York, a solid delegation has apparently been elected to Congress, and the Democratic judicial ticket elected by a large majority. Hill, for Chief Justice, received a considerable Democratic vote in some sections, and Lincoln, a rule maker, secured a nearer polling the full Democratic strength in the east than in any other section.

The election was without interest as a rule save in the eighth and tenth congressional districts, where the Republicans made special efforts to re-elect Blackburn and Moody. The former appears to have been defeated by a small majority, while the returns from the west indicate that Gudder has been elected over Congressman Moody by about 1,000 votes.

The claim of 5,000 majority for Webb over Jones in Charlotte district is probably not excessive, while the majorities of the other Congressmen besides those named will in some instances run toward 10,000, the opposition to the Democrats amounting to nothing except in the eighth and tenth districts.

The news from eastern North Carolina shows that with the elimination of the negro vote the Republican party practically ceased to exist east of Raleigh.

ALL CONGRESSMEN ELECTED.

Raleigh, Special.—At 10 o'clock Tuesday night Democratic Chairman Armistead Jones, of this county, said the Democratic majority was between 3,000 and 4,000, but that it would be impossible to give figures accurately before today. He says all Democratic candidates run pretty closely together.

At 11:30 o'clock Democratic State Chairman Simmons was able to give definite news as to the election result. He said the Democrats had positively elected all ten Congressmen, thus proving the accuracy of his prediction, that they had carried the State by at least 60,000, the figures being 67,000, but with some Republican counties not heard from, and that the Legislature was at least four-fifths Democratic.

FOUR'S MAJORITY.

Smithfield, Special.—Johnston county is Democratic by 2,500 majority. Ed. W. Fox, for Congress, defeated A. W. Parker, 3,000 majority, many Republicans not voting for Atwater. Ed. S. Abell, Democrat, defeats Jones, Republican, for the House of Representatives, by 2,500 majority. The entire county Democratic ticket is elected by 2,500 majority. Jones, for solicitor, defeated Parker, Republican, by 2,500 majority, many Populists refusing to vote for Parker. The State ticket is about the usual majority. About 85 per cent. of the vote of the county was polled. The weather was good and the best of order prevailed. Not over 50 negroes voted.

CLEVELAND COUNTY.

Shelby, Nov. 4.—Of 3,833 registered voters in Cleveland county about 3,600 voted. Sixteen precincts out of 19 give a Democratic majority of 1,825. The Democratic majority in the entire county is not less than 1,700. About 300 Democrats scratched Clark and 250 of them voted for Hill for Chief Justice. Hill's total vote is estimated at 1,650. Democrats and Republicans. Webb's majority in the county is 1,800. He leads the ticket by 50. Hoey, for Senator, has a majority of 1,750.

HILL CARRIES LINCOLN.

Lincolnton, Special.—E. Y. Webb's majority in Lincoln county is 500. Hill for Chief Justice of the Supreme Court will probably carry the county by a small majority. There are three small precincts to hear from. The county ticket is elected by 450 to 500 majority.

WEBB ELECTED BY 5,000.

Shelby, Special.—E. Y. Webb is elected to Congress by at least 5,000 majority. R. S. PLONK, Chairman Democratic County Executive Committee.

DAVIDSON COUNTY.

Lexington, Special.—Incomplete returns indicate the election of the entire Democratic ticket by an average of 100 majority. Returns on the legislative ticket give McCall, Democrat, a small majority over Waiser, Republican. No returns on the State ticket. Clark runs about with the county ticket.

REPUBLICANS MAY HAVE DAVIE.

Coleman, Special.—Indications at 10 p. m. point to a small Republican majority in the county. Clark is a little behind the Democratic ticket. The Republicans scratched Connor and voted for Walker, Morris is against Page for Congress, but there is nothing definite yet.

THE VOTE CLOSE IN ALEXANDER.

Taylorsville, Special.—The Democrats elect the clerk of the Superior Court and possibly the sheriff of Alexander and later returns may elect the entire county ticket.

CATAWBA.

Newton, Special.—The entire Democratic county ticket is elected by 200 or 300 majority over the citizens' candidate, Republicans and Populists. Webb's majority over Hiss is between 300 and 400.

Hickory, Special.—Nine precincts out of seventeen in Catawba give W. A. Self, Democrat, for Representative, 318 majority over J. W. Mouser, Republican. The county Democratic ticket will win by about 300. E. Y. Webb, for Congress, leading.

CUMBERLAND COUNTY.

Fayetteville, Special.—Fourteen precincts out of 23 in Cumberland county give the Democratic straight ticket a majority of 571. Clark runs about with the ticket. Slocumb runs ahead of his ticket, but Patterson leads the ticket by about 200. Prohibition carries the county by an overwhelming majority, the Prohibitionists claiming 1,000. The nine precincts to hear from will probably set each other off.

GUDDER CARRIES BILTMORE.

Asheville, Special.—Biltmore, with Vanderbilt's manager, McNamee, leading the fight for the Republicans, and Van Winkle, McNamee's nephew, leading the fight for the Democrats, gives Gudder, Democrat, for Congressman, 43 majority and Reed, Democrat, for sheriff, 154 majority. Buncombe county gives probably 1,000 majority for Clark.

THE DEMOCRATS WIN

The North Carolina Delegation in the Next House.

EVERY DISTRICT IS DEMOCRATIC

The Legislature Will Have Large Majority of Democratic Members and Senator Pritchard Will Be Retired.

As a result of Tuesday's election in New York, a solid delegation has apparently been elected to Congress, and the Democratic judicial ticket elected by a large majority. Hill, for Chief Justice, received a considerable Democratic vote in some sections, and Lincoln, a rule maker, secured a nearer polling the full Democratic strength in the east than in any other section.

The election was without interest as a rule save in the eighth and tenth congressional districts, where the Republicans made special efforts to re-elect Blackburn and Moody. The former appears to have been defeated by a small majority, while the returns from the west indicate that Gudder has been elected over Congressman Moody by about 1,000 votes.

The claim of 5,000 majority for Webb over Jones in Charlotte district is probably not excessive, while the majorities of the other Congressmen besides those named will in some instances run toward 10,000, the opposition to the Democrats amounting to nothing except in the eighth and tenth districts.

The news from eastern North Carolina shows that with the elimination of the negro vote the Republican party practically ceased to exist east of Raleigh.

ALL CONGRESSMEN ELECTED.

Raleigh, Special.—At 10 o'clock Tuesday night Democratic Chairman Armistead Jones, of this county, said the Democratic majority was between 3,000 and 4,000, but that it would be impossible to give figures accurately before today. He says all Democratic candidates run pretty closely together.

At 11:30 o'clock Democratic State Chairman Simmons was able to give definite news as to the election result. He said the Democrats had positively elected all ten Congressmen, thus proving the accuracy of his prediction, that they had carried the State by at least 60,000, the figures being 67,000, but with some Republican counties not heard from, and that the Legislature was at least four-fifths Democratic.

WAS ON THE STAND.

Roland B. Molineux Testifies in His Own Behalf

CONCEDED AND DISPUTED WRITING

Exports Disagree as to Sender of the Poison Package—The Testimony.

New York, Special.—The cross-examination of Roland B. Molineux by Assistant District Attorney Osborne, which was resumed at the opening of court Saturday, was finished within a few minutes after resumption. Mr. Osborne's first question was: "Did not Mr. Barnett pay your wife attention?" "Not at all," was the reply.

"Did you not so testify at the inquest?"

Molineux's reply to this was that Barnett had paid attention to Miss Chesborough in the spring and autumn of 1898 before she became Mrs. Molineux.

The defendant was in the best of humor. When Mr. Osborne asked him if he gave his wife an engagement ring at the time of his engagement, and his answer was not to the prosecutor's satisfaction, he said smilingly: "I can tell you better than you can drag it out of me."

"I don't wish to drag it out of you."

Molineux then said he bought an engagement ring on November 18, 1898. Yesterday he testified that he
