THURSDAY, JULY 5, 1923.

Well, everybody we've seen seems to have had a good time here on the Fourth, even if it was safe and sane. Looks as though we're really getting safer and saner year by year, maybe.

With two days news on its hands and only four pages, The Advance is crowded today almost beyond the limit. With due apology to our readers for items that had to be left out, we are hopeful of being able to catch up tomorrow. And we look forward to the time when four page issues of The Advance will be a thing of the past.

Running 15 rounds, the Dempsey-Gibbons fight was a rather heavy expense to a small daily newspaper, but The Advance did not let that fact prevent it from giving its readers the service which they have come to expect from this newspaper on events of this sort. We are sorry that our service was a bit slow; but for that of course we are not responsible.

Tom Bost of the Greensboro News and Governor Cameron Morrison have officially agreed to disagree, the Governor ordering the newspaperman out of his office with a parting shot to the effect that next time he would be kicked out. But nothing ever seems to have got Tom's goat yet, and we venture to say that he won't stay out, whether kicked or not. Newspapermen are doubtless a nuisance at times in their quest for news, but they're sorter-like women, Governor, "you can't get along with 'em, but you can't get along without 'em, either."

SAYS HE FEELS LIKE NEW MAN

Says Dr. Thacher's Liver and Blood Syrup Has Given Him A New Lease on Life

"I feel as though Dr. Thacher's Liver and Blood Syrup has given me a new lease on life," said T. B. Moore, R. R. No. 26, Matthews, N. C. "When I started taking Dr. Thacher's Liver and Blood Syrup I was in mighty poor shape. My liver must not have been working right, for I was bilious and constipated and suffered from headaches and that tired feeling. "I read that they would give you your money back if it didn't do you any good. I could find nothing but praise for that first bottle, so I took three more and it fixed me up fine, my liver and bowels are doing their duty and my head is clear and I am full of new life and energy." Dr. Thacher's Liver and Blood Syrup is sold by all druggists and if you are not satisfied the purchase price will be refunded. adv.

"Eczema"

Skin eruptions indicate lowered vitality of the organs which should eliminate body wastes. Poisonous wastes accumulate under the surface of the skin and break through in ugly skin eruptions.

Chiropractic gets rid of skin eruptions by the only correct method—that is, by restoring vital force to the eliminative organs. When wastes are properly thrown off from the body, you will no longer suffer the irritation or disfigurement of skin diseases.
