

DECLARE AGAINST TWELVE HOUR DAY

Christian Endeavor Delegates Take Stand that It Is Un-Christian and a Barrier to Americanization.

Des Moines, July 6.—The 12 hour day and the seven day week for industrial workers is a menace to the American home, the Christian church and free government, according to a declaration contained in a resolution adopted today by the 29th International Christian Endeavor Convention in session here. The resolution was introduced by the executive committee of the United Society of Christian Endeavor and will be sent to the constituent societies.

The text of the statement follows: "Unrest and open warfare in industry constitute a distinct challenge to Christianity. Jesus Christ is for the individual and for the institutions of society,—the only sufficient Saviour. We believe that the application of his spirit and principles to the problems and controversies of commerce and trade, will promote good-will and establish peace.

"We recommend those who are acting as pathfinders of a new and Christian social order. Particularly do we commend such organizations as the Colorado Fuel and Iron Company, and the International Harvester Company, for their demonstration of the practicability of the eight hour day, the shop committee, and the wisdom of the participation of workers in direction and control.

"The 12-hour day, the seven day week, the espionage system and autocratic control are relics of an industrial absolutism; where they still continue they are a menace to the American home, the Christian Church and free government; they remain as feudal evils that Christian civilization ought long since to have outlawed. Because of them the church is often unjustly measured in the road to Americanization. They promote unrest and make for bitterness and therefore are not good for a nation. We pledge our best efforts under the wise leadership of our churches to bring them to an end.

BARBER-FEREBEE

Shawboro, July 6.—On Wednesday afternoon, June 27th at 2:30 Church of Shawboro was the scene of a wedding beautiful in its simplicity, when Miss Agnes Old Ferebee, the beautiful and attractive daughter of Mr. and Mrs. J. J. Ferebee, became the bride of Mr. Wade Barber, son of Mrs. Mary A. Barber of Pittsboro, N. C.

The church was tastefully decorated with southern smilax, ferns, cut flowers and cathedral candles, presenting a fitting setting for the ceremony which was performed by Rev. C. B. Culbreth of Elizabeth City, with the impressive ring service.

Preceding the ceremony an effective musical program was rendered by Mrs. G. C. Boswood, sister of the bride at the organ, accompanied by Miss Marjorie Bell Snowden, violin obligato.

Just before the bridal party entered Mrs. M. F. Whitley of Suffolk, Va. sweetly sang "O Promise Me" and in a melodious strain of Lohengrin's wedding march, entered S. Scott Ferebee and R. Byron Carter acting as ushers. Next came the dame of honor, mother of the bride, in a lovely pearl gray canton crepe gown, with accessories to match, carrying an arm bouquet of maiden butterfly roses.

Master E. Bruce Beasley, Jr., nephew of the bride, made a most charming ring bearer, daintily dressed in a white satin suit, carrying the ring in a calla-lily.

The groom with his best man, Mr. John Jones, entered from a side aisle and was met at the altar by the bride leaning on the arm of her father, Mr. J. J. Ferebee, who gave her in marriage.

The bride was becomingly costumed in an exquisite Morris gown of white duchess satin trimmed in princess lace embroidered in silver cord pearls with court train elaborately embroidered in silver and pearls. Her veil of tulle and lace was caught with orange blossoms and pearls. She carried a shower bouquet of bride's roses and lilies of the valley.

The bride is a young woman of personal charm and culture and is well known in Eastern North Carolina.

attorney of the firm Siler and Barber, and is well known in that section of the state.

An extensive array of handsome and beautiful gifts attest the popularity of this young couple. Among the social events that led up to the wedding were a delightful luncheon given by Mrs. Charles D. Morgan; a pre-nuptial reception on Tuesday evening preceding the wedding day, given by Mrs. G. C. Boswood, and a charming luncheon at the home of the bride at 12:30 o'clock, Wednesday, June 27th with immediate relatives and out of town friends present. The luncheon was served by Mrs. Edwin F. Morgan and Mrs. Lucullus Gallop.

The out-of-town guests were Mrs. Mary A. Barber and Mr. and Mrs. W. D. Siler, Pittsboro, N. C., Mr. John Jones, Jr., Sanford, N. C., Mrs. W. F. Whitley, Suffolk, Va., Mr. and Mrs. M. W. Ferebee and Miss Sallie Perry, Elizabeth City, N. C., Mrs. R. L. Barnhill and daughters, Bethel, N. C., Mr. and Mrs. Lucullus Gallop, Jarvisburg, N. C., Mrs. M. L. Brockington, Florence, S. C., Mr. and Mrs. W. L. Wilson, Moyoock, N. C., Mr. and Mrs. R. Byron Carter, Miss Gretchen Carter, Master Byron Carter Jr., Norfolk, Va., Mrs. E. Bruce Beasley, Master E. WANTS REAL WORK FOR PUBLIC HEALTH

San Francisco, July 6.—The social organization was compared to an intricate machine by Dr. Oscar Dowling, state health officer of Louisiana, at a meeting of the Preventive and Industrial Medicine section of the American Medical Association convention here recently.

Dr. Dowling said that for proper operation, health is fundamental. "Health implies right conditions of growth and development for the child, proper heredity, prenatal care of the mother, recreational direction and an ideal environment," he added. "In securing these results every part of the body politics bears a reciprocal responsibility."

He emphasized particularly the need for teaching the principles of hygiene, citizenship and the right social order in the public schools.

The discussion was continued by Dr. Frederick D. Stricker of Portland, Oregon, with a plea for more efficiency and less spectacular demonstration in public health work. He compared such exploitation to "Blue Sky" as it relates to stocks and bonds.

The session closed with a paper by Dr. John Sundwall of the University of Michigan, who urged constructive health activities in the public schools. "The most effectual and far-reaching results to be anticipated in our present nation wide health

movement," he said, "are now being conducted in the public schools. The impressions of childhood and the habits formed in early life are lasting."

"There should be ingrafted into the school boy and girl, by repeated and prolonged precept and example, ineradicable health habits. When every school establishes and maintains an agency by which these objectives in human conservation are realized, then our public health problem will be solved and our society will heal itself. Every endeavor must be made to organize efficient health services supervised by full-time, adequately trained teachers whereby a consummate and progressive health program will be sustained."
