Have You a Better Plan?
 The Advance has never believed anything other than that the most important highway to Elizabeth City in Northeastern North Carolina is that from Edenton to the Virginia line. There are three or perhaps four State highways more important to the State as a whole, but none more vital to any North Carolina community of 10,000 souls than that connecting Elizabeth City with Chowan and Perquimans on the south and with Lower Camden and Currituck on the north.

Close any road in North Carolina, generally speaking, and a detour is a matter of only comparative inconvenience. But close the Pasquotank River State Bridge road and the effect on Lower Camden and on Currituck would not be more pronounced if those counties were moved a dozen miles farther from Elizabeth City and a dozen miles nearer to Norfolk. In fact one could drive 20 miles by auto without breaking any speed laws while making one trip by barge ferry from Elizabeth City to Lamb's Ferry landing in Camden County. Close the State Bridge road today and, The Advance is fully persuaded, the number who would thereby be prevented from coming to Elizabeth City would be twice as great as would be the number who would be kept from town by the closing of any two roads in the County.

The Advance is gratified, therefore, at the awakened interest in making what was once called the District Highway a 16-foot road throughout its length. The proposition to have the State construct this road under former Senator Ferebee's District Highway act strikes this newspaper as the most feasible and practicable suggestion yet brought forward. Until it has been shown impracticable or until somebody can come forward with a better one, The Advance expects to espouse it.

A WOMAN'S BACK

The Advice Of This Elizabeth City Woman Is Of Great Value

Many a woman's back has many aches and pains. Ofttimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective. Many Elizabeth City women know this. Read what one has to say about it.

Ask your neighbor.

Mrs. O. F. Seymore, 6 Glade St., says: "It has been a number of years since I last used a kidney medicine. At that time I had an attack that surely had me feeling terrible. Most of the time my back was aching and even at night, the pains bothered me and I could not get my proper rest. My kidneys were out of order and my limbs swelled and caused all sorts of trouble. I read of Doan's Kidney Pills and bought several boxes at the Apothecary Shop. They are all that is claimed for they helped me and I know they are a good kidney medicine."

WAS AFRAID SHE COULD NOT LAST

Declares She Was Soon Relieved of All Her Misery by Taking Stella Vitae Treatment

"I suffered so much before I started taking Stella Vitae that I feared my days were numbered," said Mrs. Hattie Mundy of Kitchings Mills, S. C.

"For a long time my health had been on the decline. The main trouble was with my back, which hurt me so I couldn't stoop over and straighten up again without its nearly killing me.

"Then my side would hurt like somebody had stuck a knife in me. I lost hope and was ready to give up when I heard so much in praise of Stella Vitae that I began taking it. When I had taken two bottles my side and back stopped hurting and I am now feeling as fine as silk."

Stella Vitae may be obtained from any druggist and the purchase price will be refunded if it fails to bring relief. adv.
