**Strong Portsmouth Team Will Battle With Locals Here Today**

Tyner will play the Elizabeth City baseball club here Wednesday afternoon, according to a telephone call received by Tom Nelson, president of the club.

This afternoon Portsmouth will play here, the game beginning at 5 o'clock. This team is considered the strongest that has played on the local diamond this season and a large attendance is expected.

Ballentine is expected to deliver the ball for the locals in today's game and Davis or Evans will probably pitch against Tyner Wednesday.

On Friday afternoon Edenton will play on the local diamond and on Thursday Elizabeth City will go to Edenton. Friday games with Edenton will be continued throughout the rest of the season.

**Balanced Propellers Speed the Leviathan**

*Balanced Gasoline speeds your car*

**P**ERFECT balance means power and flexibility to a ship—lack of it, vibration and waste. Big balanced screws drove the Leviathan to a new long-distance record. "Standard", the Balanced Gasoline, will not only drive your car to new mileage records but give it a smoothness and flexibility that only a balanced fuel can furnish.

"Standard" starts with the spark, sweeps along fast on the pick-up, pours out power on the hills and has the staying qualities for long runs at full speed and low mileage cost. It throttles down to a standstill and burns clean whether your car is idling, tearing along wide open or running fast-and-slow in traffic.

A perfect motor fuel must be balanced to have all these qualities. "Standard" is correctly balanced—the result of years of painstaking research and the utmost skill in manufacturing. Down town or 'cross country you can safely stick to "Standard".

**SAVED SICK SPELLS**  
Black-Draught Found Valuable by a Texas Farmer, Who Has Known Its Usefulness Over 30 Years.

Naples, Texas.—"I have used Theford's Black-Draught for years—I can safely say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing out from here on Route 3.  
"I am 43 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.  
"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver trouble.  
"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."  
Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.  
This valuable, old, powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel, or other powerful mineral drugs.  
Be sure to get the genuine, Theford's.
