

Tyner Drops Second To Bess City's Nine

Local Artillery Pounds Visiting Twirler Without Mercy

Elizabeth City staged a merry-go-round in the game with Tyner Wednesday afternoon to the tune of 14 to 2.

The game was one-sided from the first inning when the hits together with weak defense on the part of Tyner's team left Elizabeth City four runs.

Bill Dail who pitched for Tyner was wild throughout the game and walked eight men besides permitting 13 hits from Elizabeth City's artillery. He disputed the decisions of the umpires throughout the game and his grouchy disposition probably was responsible for his weakness in the box. It appeared that he purposely walked Abbott twice after the Elizabeth City heavy slugger had made two two-base hits out of his first three opportunities at the bat. The support given Dail was not up to Tyner's past record, the team being short of two of its regular infielders.

Though this was the third game that Evans has pitched against the Tyner nine, the visitors could not handle his delivery on the pill and could not hit when hitting was necessary to make runs. Evans allowed seven hits but apparently played with the visiting batsmen until one or two men got on bases, and then tightened up. He received excellent support throughout the game.

Sensational catches were made in the field by Abbott and Calvert on second and third respectively. Calvert robbed J. Ward of a pretty drive right over third when he sprang nearly six feet and grabbed the ball, almost losing his balance in the effort. He covered the bag nicely throughout the game. Abbott made a timely catch in the eighth frame when two men were on bases when he grabbed Chappell's hot line drive over the second base and dashed the play to second. Shipp on short also robbed the visitors of several hits. It is worth the admission price to a game to watch catcher Host make his peg to second. He works hard all the time and a runner on third never stops him from playing the ball to second if the runner is disposed to play off the base. In out field Rabbit Lowry made a pretty chase for J. Bunche's fly about fifteen feet behind second base. Hood, Abbott, Trueblood and Calvert starred in hitting.

C. Ward did good slugging for Tyner, getting two hits out of four chances at the bat, one of which was a two base drive to deep right field. Bunche played a fast game for the visitors on third base and Ward showed up good in left field.

Scoring for Elizabeth City started in the first inning. Lowry was safe on first when Bunche dropped the ball. Calvert walked and Abbott lifted a two base hit over near the scoreboard and Lowry scored. Calvert scored when H. Ward threw wild to third. Hood grounded out to Bunche. Henderson walked. Trueblood hit to left field and scored. Calvert. Host scratched a hit Dail and Henderson scored. Evans fanned.

Two more tallies for the locals came in the third frame. Abbott filed out to C. Ward. Hood hit by first base and stole second. Henderson made a pretty hit to right field and Hood went to third. Trueblood grounded out to second and Hood scored. Henderson going to third. Henderson scored when catcher Ward's throw to third hit him in the back. Host grounded out. Dail to Bunche.

Lowry started runs again in the fourth when he was walked for the second time. Calvert placed a two base hit to deep center and Calvert scored. Hood drove a three base hit to right field and Abbott scored. Henderson walked and Trueblood grounded out. Dail to Bunche.

Three runs were also made by the locals in the sixth inning. Lowry got to first on a scratch hit to F. Ward. Calvert grounded out. Dail to Bunche. Abbott walked and Hood followed him with a hit that scored Lowry. Henderson grounded out to Bunche. Trueblood hit to right field and Abbott and Hood scored. Host filed out to left field.

The last two tallies for Elizabeth City were made in the seventh frame when Evans started things off by rolling a nice grounder right over second base. McGowan, running for Evans went to second when Shipp was walked. Twiddy, batting for Lowry got to first when W. Bunche hesitated before playing his grounder and McGowan got to third. Calvert fanned and Abbott walked forcing McGowan in home. Hood hit by second base and scored Shipp. McGowan, batting for Henderson, fanned.

Tyner took two runs in the third inning with three pop hits to left field. J. Bunche got to first when his grounder slipped through Trueblood. Chappell filed out to Henderson. Dail hit to left field and Bunche got to second. F. Ward hit to left field, filling the bases. Evans hit to the same spot and scored J.

SAYS LOVE OF BABIES CAUSED HER TO TAKE 19 ON FATAL JOURNEY.

Exclusive photograph of Mrs. Anna Siewers, Brooklyn widow, and sixteen of the children she took on an all night automobile trip taken in front of the Schenectady County Almshouse where she is being held awaiting word from the babies' parents. Three of the youngsters are in the hospital. One infant is dead. Mrs. Siewers said she cared for fourteen children in order to support her own five. She loved them so much that she started off to buy a farm at Saratoga Springs in order to keep them when the protests of her neighbors in Brooklyn forced her to move.

NEW AMERICAN HOSPITAL IN PARIS.

Many, many thousands of former American doughboys remember the old American hospital in Paris. A new American hospital is now under construction there and this photograph shows what it will look like when completed.

Bunche and Dail. H. Ward filed out to second and C. Ward fanned.

Commissioner Shipman Being Congratulated

Raleigh, July 12.—M. L. Shipman, Commissioner of Labor and Printing, is receiving congratulatory letters from various parts of the country on the 1921-22 report recently issued by his department. In asking for more copies for the students, S. H. Hobbs, Jr., of the University of North Carolina, said in his opinion "it is by far the best report issued by the Department of Labor and Printing."

"It contains more information, in a form easily gotten at, than anything we have seen," wrote a widely known Boston Manufacturer. Copies of the report were mailed to all newspapers in the State, manufacturers, all state libraries in the United States and Canada, summer schools, all Chambers of Commerce, in the states and a few to foreign countries. It was also sent to the various departments at Washington.

CHANGE OF LIFE

Florida Lady Was in a Miserable Condition, But Says She Found Cardui Helpful, and Got Well.

Altha, Fla.—In explaining how she found Cardui so helpful during change of life, Mrs. Ella M. Bailey, of Route 2, this place, said:

"I became so weakened it was an effort for me to get around. I knew what was the matter, but I felt like I couldn't give up."

"I just dragged, and I certainly was nervous. I was so restless I could not sit down long—yet so weak I couldn't get about. It is the most miserable and such a helpless feeling."

"I would get depressed and out of heart."

"I began to feel, after awhile, there was no use to try to get well. This is all wrong, for it makes a person worse."

"I had heard of Cardui, and thought it might strengthen me. A neighbor had used it with good results."

"I took one bottle (of Cardui), then I saw I wasn't so nervous, so kept it up."

"Gradually the nervousness left me. I began to eat and sleep better. Was soon well, and all right. Cardui did wonders for me, and I certainly do recommend it."

Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Turkish Women are to Enjoy Freedom

They Begin to Shake Off Fetters Which Have Bound Them So Long

Constantinople, July 12.—Turkish women seem destined soon to enjoy the same freedom and privileges as women in the United States. Mustafa Kemal has promised them the vote and they are now beginning to shake off the fetters which have kept them to domestic bondage since time immemorial. A great woman's political congress will be held here shortly, and a countrywide suffrage movement inaugurated. Women possessing diplomas of higher or secondary education may appoint delegates. One of the leaders of the new movement says the object of the Turkish women is to obtain the vote peacefully within two years. Meanwhile, the first step in this direction was won recently when the women elected a Turkish woman teacher on the council of primary education. Women voters appeared at the elec-

Moslem women leaders much useful counsel based upon the experience of American women in political and public life.

Ninety per cent of Turkish women are illiterate. Their education extends little beyond a memorization of parts of the Koran (Turkish Bible) and a certain acquaintance with household and maternal duties. Their husbands regard them as merely convenient mediums to minister to their needs and pleasures.

PORTUGAL CLOSES IT GAMBLING HALLS

Lisbon, July 12.—All public gambling halls in Portugal have been closed, and a wave of indignation has swept the larger cities as a result. Several newspapers have taken up the protest, claiming that where gambling formerly was supervised and forced to yield an income to the treasury, it has now been driven to cover and is flourishing as ever before.

One newspaper alleges that loaded dice, marked cards and other trick devices have been substituted for equipment which, under the gambling regulation, was inspected by the police, and that the public has sustained tremendous losses as a result.

DON'T JUDGE FROM APPEARANCE!

THE earth looks flat enough! That's why so many thousand years came and went before our ancestors even suspected the terrestrial globe of being round. Their eyes deceived them!

Don't depend on appearances to guide you right. Don't buy goods on the strength of looks alone. Merchandise with a well-known name has the call. Only the maker of a good product can afford to advertise his name. Attempts to popularize unworthy goods cannot succeed.

Wise merchants and manufacturers seek the good papers to tell the stories of their wares. The publishers seek the reputable advertising for their readers' guidance. Well-informed buyers seek news of good merchandise through the columns of the best papers.

This proves the value of advertising. Neither advertiser nor publisher can prosper without your patronage. Therefore, it is to their advantage to cater to you. They do it, too.

It is distinctly to your advantage to be guided by the messages they lay before you—the advertisements.

Newer Form of Iron Quickly Increases 'Pep' Strength and Energy

"You cannot be well and strong, and full of vigor, force, and power unless your blood is rich in iron," says Dr. James Francis Sullivan, formerly physician Bellevue Hospital (Out-Door Department), New York, and the Westchester County Hospital. "It is your red blood that enables you to resist and overcome disease and that nourishes every organ in your body. Without iron your blood becomes thin, pale, and watery. Poor blood cannot nourish your vital organs and as a result you may have pains in your heart or kidneys, indigestion, headaches, and feel all run-down and tired-out."

When your blood lacks iron do not waste your time taking stimulating medicines or narcotic drugs, but directly enrich your blood with the newer form of iron sold by all druggists under the name of Nuxated Iron which is like the iron in spinach, lentils, and apples and is in a form easily assimilated into your blood. Get a bottle of Nuxated Iron today. Take it for two weeks and if you have not, like thousands of others, obtained most surprising health, strength and energy, the manufacturers will promptly refund your money. The following local druggists will sell you Nuxated Iron with this "satisfaction or money back" guarantee:
