VELIE

V A L U E

This season's smartest Sedan \$1895 at factory

Velie's following among car owners is as distinctive as the car itself—an unusual class, desiring a little more in comfort and luxury than the ordinary; ready to pay a little more for a greater margin of surplus power, greater flexibility and ease of handling, less trouble risk, less upkeep worry; wanting a little more in the final details that mean unalloyed satisfaction.

Yet strangely enough, the Velie purchaser pays no more

for all these things. And in the instance of Velie closed cars, actually pays less.

This Velie 5-passenger Sedan, mounted on the Model-58 chassis and powered with the vibrationless, automatically lubricated Velie-built motor, is choicely equipped down to the last detail of silvered flower vase, vanity case and smoking set.

Sixty per cent of all Velie cars are sold to Velie owners—a positive proof of Velie value.
