

Edenton Will Fight The Season Trough

"We Will Play You 'Till September" Declares "Jaybird" Barrett Battle With Eure Today

With the announcement direct from "Jaybird" Barrett that from three to five new players will be used on the Edenton team in Thursday's and Friday's games, more than usual interest is developing in the Elizabeth City - Edenton battle here Friday afternoon.

"What — disbanded? — No! No! No! — We'll play you 'till September" — "Jaybird" told an Advance reporter in response to an inquiry about Edenton's future plans for the games scheduled with Elizabeth City.

Among the new players for Edenton, it is understood, will be a pitcher from Raleigh who has made a good record this season on the Piedmont League. Anyway Elizabeth City fans may rest assured that they will be relieved of the "old stuff" on the mound for Edenton and one of the best games of the season may be expected Friday afternoon at 4.30 when the newly organized Edenton line-up faces the hard local nine.

Elizabeth City will play at Edenton Thursday and a number of Elizabeth City fans are expecting to attend the initial game with Edenton's new line-up.

This afternoon at five o'clock the first game with Eure will be fought out on the local diamond. Cal. Davis, it is thought, will pitch for the home team. The Eure boys are said to have a fine team—among the best in Eastern Carolina—and fans may expect their money's worth and then some, in the scrap this afternoon.

Carolina Actress Goes to Broadway

Miss Elizabeth Taylor Made Fine Record With Bureau of Community Drama

Chapel Hill, July 18.—Along with the announcement that Miss Elizabeth Taylor, star actress of the Carolina Playmakers, will try out her talents on Broadway, next fall, comes a report of her year's work as field agent for the Bureau of Community Drama of the University Extension Division. Professor Frederick H. Koch, is chief of the bureau and has

directed Miss Taylor's work as well as that of the Playmakers.

According to C. D. Snell, Director of the Extension Division, the Playmakers form the parent organization at Chapel Hill from which the idea of a people's theater is radiating to all corners of the state through the agency of the Community Drama Bureau of the Extension Division. Mr. Snell stated that while the University will feel the loss of Miss Taylor's work, Professor Koch expects to secure someone equally competent next fall.

According to Miss Taylor's report, she has served 160 towns during the past ten months, has written 412 letters, loaned 728 play books and has sent out 43 bulletins. Her visits to towns were made always upon request either to take charge of the production of a home talent play or pageant or to assist in designing stage equipment or to help with the make-up, etc.

Following is a list of communities which Miss Taylor visited and rendered service to: Raleigh, Caroleen, Henrietta, Franklin, Draper, Concore, Fayetteville, Edenton, Candler,

Hillsboro, Reidsville, Winston-Salem, Salisbury, Charlotte, Hickory, Asheville, Morganton, Lenoir, High Point, Greensboro, Pinehurst, Chapel Hill and Snow Hill.

Three pageants were written under the direction of the Bureau: A Historical Pageant of Macon county; A Pageant of the First Two Hundred Years of History of Chowan county; A patriotic Pageant of Helton.

Pageants produced under the direction of the field agent were as follows: A Historical Pageant of Macon County at Franklin; A Pageant of the First Two Hundred Years of Chowan county, at Edenton; The Treasure Chest, at Charlotte; The Perfect Gift, at Draper.

Personal services rendered by Miss Taylor other than the production of plays and pageants include: Instruction in folk dancing at Caroleen, Henrietta and Snow Hill; Instruction in make-up in Raleigh, Henrietta and Caroleen. Talks were made before schools or clubs in Franklin, Chandler, Snow Hill, Edenton, Fayetteville, Concord, Reidsville, Charlotte, Caroleen and Henrietta.

Women Make Good as Electrical Engineers

London, July 18.—English women are turning their attention to professional vocations formerly confined exclusively to men.

A number of them in London are engaged in civil, mechanical and electrical engineering, and there are at least half a dozen firms of women constructors who have completed large building contracts.

Electric lighting is a branch of do-

mestic engineering which seems to attract many women. They perform their work more from a housewife's point of view than do men. One firm of women electricians has successfully completed several contracts for lighting country houses with electricity.

In Hertfordshire three women are lawyers, three are tinsmiths, two are dentists, four are doctors, 12 are moving picture or circus proprietors, one is a wireless operator, three are window-dressers, one is a saddler, and one an undertaker.

Hard to roll your own? Not really. Give yourself a chance to learn, this way:

Carry a sack of "Bull" in your pocket all the time, as well as your regular cigarettes. Every time you think of smoking a cigarette pull out your sack of "Bull" and try rolling one.

By the time you've used the sack you ought to be a fair producer. And you'll certainly be a convert to the mild, delightful flavor of "Bull" Durham tobacco.

Dear Sirs
after reading your Bull Durham ad in the paper I decided I would try Bull for a month and see for my self.

I used to smoke 2 packages of 154 cigarettes a day and during the first month I have smoked 24 sacks of Bull so this is what I saved

60 packages of cigarettes at 15¢ = \$9.00
24 sacks of Bull Durham at 10¢ = \$2.40
I saved \$6.60 a month smoking Bull

This letter is to thank you for the money saving tip
