

Do You Want A Prize Worth \$1,395^{OR} \$319?

If You Do, Send or Bring Your Nomination to the Campaign Manager at THE ADVANCE Office Remember - "EVERYBODY WINS"

Rules of the Campaign

Any reputable man or woman, boy or girl, is eligible to enter the campaign and win a prize. Campaign begins at once and nominations may be made at any time. No salaried employe of The Advance or any immediate member of his or her family is allowed to enter the election. The right to reject any nomination is reserved.

Cash must accompany all subscriptions to receive votes. No vote credit is given on subscriptions received at the office unless requested at the time of payment.

Votes are free. It costs nothing for subscribers and readers to vote for their favorites. Votes cannot be purchased. Every cent accepted by the Campaign Department must represent subscription payments.

Votes are not transferable. One candidate cannot withdraw in favor of another candidate. Should a candidate withdraw from the campaign his or her votes will be cancelled. Votes will not be allowed on subscriptions outside Elizabeth City's trade territory of Pasquotank, Perquimans, Camden, Currituck, Gates, Chowan, Washington, Tyrrell, Hyde and Dare counties.

Ballots issued on subscriptions may be held in reserve and voted at the discretion of the candidate. The printed vote coupons appearing in the paper each week must be voted before the expiration date appearing thereon.

No statement or promise made by any solicitor, agent or candidate varying from the rules and statements published through this paper will be recognized by the publisher.

In case of typographical or other error, it is understood that neither the publisher nor the campaign manager shall be responsible except to make the necessary corrections.

It is distinctly understood that candidates will be responsible for all moneys collected and that they will remit such amounts in full at frequent intervals or on demand.

There will be two standard make automobiles and cash prizes awarded besides a 10 per cent cash commission to all ACTIVE non-prize winners, but it is distinctly understood that in event ANY candidate becomes INACTIVE failing to make a weekly cash report he or she will become disqualified and THEREBY FORFEIT ALL RIGHT TO A COMMISSION.

To insure absolute fairness in awarding the prizes the campaign will be brought to a close under a "sealed ballot box" system and will be under the personal supervision of the Advisory Board. However, during the progress of the campaign the standings will be published from time to time. During the entire last week of the election, candidates and their friends will deposit their final collections and reserve votes in the locked and sealed ballot box. Not until the race is closed will the seals be broken and judges begin the final count. No one, not even the campaign manager or publisher, can possibly know the voting strength of the respective candidates which precludes any possibility of favoritism and insures fairness to the minutest degree.

The Advance reserves the right to amend the rules of this election if necessary for the protection of the interest of both the candidates and this newspaper.

In accepting the nominations, the candidates agree to abide by the above conditions.

Winners of the automobiles and other prizes will be decided by their accredited votes, said votes being represented by ballots issued on subscriptions and by coupons clipped from the paper. In the event of ties, prizes identical in character with those offered will be given to each of those tying.

BIG CASH AWARDS

A SPECIAL FUND WILL BE SET ASIDE TO BE DISTRIBUTED in the form of commissions among active non-prize winners on a ten per cent basis. Any candidate who remains active through the campaign, making a regular weekly report but fails to win one of the prizes offered, will participate in this commission feature—**THINK OF IT!** Ten per cent of every subscription you collect goes into your pocket if you fail to win one of the Prizes. This arrangement assures a compensation to all candidates and it means there will be no losers; "EVERYBODY WINS." Could anything be fairer or more liberal than this?

How to Enter and Win

The first step in order to share in this mammoth distribution of costly awards is to clip the Nomination Blank appearing on page one of this issue and send or bring it to Campaign Headquarters, the Daily Advance, Elizabeth City, N. C. The Nomination Blank entitles you or the person nominated to 5,000 votes.

Then you will be given a free outfit consisting of a special receipt book, sample copies of the paper and full information relative to the campaign as well as assistance that will help you win one of the two automobiles or other grand prizes.

It requires votes to win and votes are secured in two ways. First, by clipping out the free 100-vote coupons which will appear in each issue of The Advance. Very soon, however, these voting coupons will be reduced to a lesser number of votes and they must be voted before the expiration date appearing thereon. But the other and faster way to get votes is by getting your friends to pay you for subscriptions to this paper. Old or renewal subscriptions count a lesser number of votes but you will notice that more votes are given for subscriptions turned in now than later. (See schedule of votes below). So you see that the more subscriptions you secure and the quicker you get them the better your chances will be to land one of the two automobiles. Then, too, the first in the field will get the "cream" of the votes and subscriptions while those who put off entering will have to take what is left. Be sure that your Nomination is in RIGHT AWAY.

QUESTIONS AND ANSWERS

Question—What is the first thing to do in order to enter the Campaign and become eligible to win one of the two automobiles or other prizes?
Answer—The first thing to do is to clip the Nomination Blank appearing on page one. Bring or mail this entry blank to The Advance Office and you are given 5,000 free votes as a starter.

Question—Does it cost anything to enter the campaign?
Answer—There is no cost whatever in connection with becoming a candidate in the "Everybody Wins" Campaign now or at any time.

Question—Since your announcement says that the two brand new automobiles and the other prizes are to be given in exchange for votes, how are the votes obtained and what is the best way to get them?
Answer—Votes are secured in two ways. First, by clipping out the free voting coupons that appear in every issue of The Advance or have your friends save them and cast them to your credit. The other and faster way to secure votes is by getting your friends to give you their subscriptions to this paper. A certain number of votes are given for each subscription but you will see by the vote schedule on this page. The number of votes allowed depend on what time the subscription is secured. The best way to get votes is the latter method. You thereby get more results for your same-time efforts. However, all the 100-vote coupons count also. Get as many as you can.

Question—Does it make any difference whether the subscriptions I secure are old or new?
Answer—Vote credit allowed on new subscriptions is slightly higher than for old subscriptions.

Question—Where may I solicit subscriptions?
Answer—Anywhere in the ten counties of Pasquotank, Currituck, Camden, Gates, Perquimans, Chowan, Washington, Tyrrell, Hyde and Dare. Subscriptions outside of these are practically valueless to Advance advertisers and NO VOTE CREDIT will be allowed for them.

Question—When is the best time to start my campaign?
Answer—Right now, at the beginning of the campaign, is the best time to start for two reasons. First, subscriptions are much easier to get now than at any other time as the field will not have been "combed." Secondly, the vote schedule is so arranged that those who make the early start get more for everything they do as the vote schedule printed on this page clearly shows.

Question—Have I the privilege of nominating myself or must my nomination be sent in by another person?
Answer—You may nominate yourself. It is not necessary that your nomination be sent in by another person.

Question—What do you mean by your announcement that "Everybody Wins"?
Answer—This means that every active candidate will be paid in proportion to the amount of space time devoted. To those active candidates, who make a weekly cash report, and who do not win one of the principal grand prizes, a prize in cash or a commission of ten per cent will be paid on all subscriptions turned in. Hence "Everybody Wins"—there are no losers.

The above schedule of votes, which is on a declining scale, positively will not be changed during the campaign. No extra or "bonus" votes will be offered at any time. A special ballot good for 100,000 extra votes will be issued for each \$25.00 in subscription money turned in but to get this credit it is not necessary that the \$25.00 worth of subscriptions be turned in all at one time as this arrangement will be in effect throughout the campaign and is to be considered a part of the regular vote schedule.
