Phone him at The Advance office, 357. The next list and standings will appear Saturday.

You have a "hunch" to heed the call of opportunity! You have an impulse to enter The Advance Auto and Cash Prize Campaign. Obey that impulse and YOU can call November 3 (the close of the campaign) one of the happiest days of your life; neglect that hunch, and that neglect may rob you of a superfine automobile.

Flappers and Jelly-Beans may call it a "hunch!" Those more careful of their diction may speak of it as an impulse! Psycho-analysis may know it as a suppressed desire! But it means the same thing—the thing that leads those who obey it on to discoveries and inventions and victories. Here is YOUR GOLDEN CHANCE to obey an impulse that will bring you the discovery of how easy it is to win victory and a valuable prize in The Advance "Everybody Wins" Prize Campaign.

Votes alone decide the prize winners in this great race and it doesn't cost a cent to enter—to compete—to win! Votes will be given you upon entering, upon all Free Vote Coupons you turn in, upon all subscriptions you turn in and a bonus of 100,000 Extra Votes will be credited to you for your first subscription.

A Special Ballot good for 100,000 Extra Votes on every \$25 worth of subscriptions turned in during the campaign will be added on to these, and a pro rata share for every dollar over \$25. The present period, which ends October 13, gives the greatest vote earning opportunity of the whole campaign, and it paves the way to easy success if you ENTER NOW!

Look over the list! Compare the Great Prize List with Two Automobiles, Six Gold Awards and 10 per cent Cash Commission to all active non-prize winners, with THE FEW who have as yet become active in the race. The Race is still at the starting point. THE POSSIBILITIES ARE TREMENDOUS. Obey that impulse!

GET IN AND WIN!
