PLAN INCREASE IN ADVERTISING

Volume of Advertising by Both Large and Small Business Firms to be Larger Next Half Year.

By J. C. ROYLE Copyright, 1924, by The Advance

New York, July 31.—The large advertisers of the United States and many of the smaller ones as well are now laying out their advertising for the ensuing year.

These reports are supported by the figures showing the amount of advertising placed in the last six months. The magazine advertising has shown a slight gain

Newspapers in 29 of the principal cities printed 693,442,744 lines of paid advertising from January 1 to June 30 as compared with 691,729,921 in the corresponding period last year, a gain of 1,712,823 lines.

In June, however, betterment was apparent and this loss was reduced to 2,771 lines.

The LaFollette-Wheeler third party coalition might be to the liking of the mayor, but the third party people themselves seem a bit dubious about Mr. Hylan.

The progressives are being urged to greater efforts by the National leaders at Washington.

New England Republicans have come out with declarations that LaFollette will get his greatest vote among the labor element in that section which is said to be normally Democratic.
