Pasquotank Has a Chance

Pasquotank County is hoping to be one of the four counties of the State to share in the benefits of the Laura Spelman Rockefeller Memorial fund through the State Department of Public Welfare...

The following clipping from the University News Letter explains the plan:

The School of Public Welfare in co-operation with the State Department of Public Welfare is putting on this fall some special studies and programs in a Post-County Demonstration. From its headquarters at Raleigh the State Department of Public Welfare, in co-operation with the University School of Public Welfare, is planning a similar project. There are several purposes of these efforts...

This co-operative plan has been made possible by a grant of \$60,000 from the Laura Spelman Rockefeller Memorial, this grant to be divided equally between the State Department of Public Welfare and the School of Public Welfare...

Robert Bryan would seem to prove that you're never too young to play tennis. And we can think of nothing better in way of recreation for a couple of youngsters than a tennis court in the back yard...

Ye editor positively refuses to read any of the new daily comics, being firmly fixed in the opinion that he wastes enough time on those to which he is already addicted.

We are well aware that there are days when this column is limited for inanity, but if you don't read it regularly chances are that sooner or later you'll miss something you'll wish you hadn't.

Bringing home the bacon, generally speaking, continues to cost more with the passing years. The interesting question is whether one has the wherewithal to bring it home.

BOYS NOT TO DIE

Continued from page 1... The case came at a specified point... Upon concluding their conference...

Shortly after the youths had confessed, Clarence S. Harrow, a local criminal lawyer, and Walter and Benjamin Bachrach, brothers, were engaged in their work with the boys...

The boys conferred on July 21 and 22 days later the Cook county grand jury indicted them on charges of murder and kidnaping for ransom, both punishable by death in Illinois...

The formal hearing began July 23. The state introduced 82 witnesses who testified as to the execution of the crime... The actual slayer, seemed definitely settled by the testimony of Dr. Bernard Glueck of New York, defense alienist, corroborated by Dr. H. S. Hubbert of Chicago...

The defense based its plea for lenient sentences rather than death on the grounds of a finding of a degree of "mental sickness," short of insanity, however, in both youths, attributing

Don't Blame Your Shoes for wearing out quicker than you think they should. Below is shown a shoe with the shank broken down. Thousands of people have this shoe trouble and blame it on to the poor quality of the shoe.

This is wrong and unfair to the shoe dealer. The cause is your feet. Your arches are either very weak or entirely broken down. No shoe made will withstand such pressure.

Dr. Scholl's Foot Comfort Appliances will correct both your foot and your shoe troubles. Thousands of people suffer from weak and broken-down arches, flat-foot, rheumatic-like pains have ever profited through these wonderful devices.

it to functional disorders of the endocrine glands, childish phantasies continuing into the mature years as malign influences, and stunted emotional growths.

Both the Leopold and Loeb families disclaimed any intention to use their enormous wealth to cheat the law and were accused that the boys were menaces to society and should be confined, although they desired for them in some defense permitted any other lawyer in an effort to save their lives.

It was brought out on the witness stand that the four attorneys to receive a fee of \$250 a day. The attorneys' fees would be stipulated by a committee composed of the officers of the bar association of Chicago.

The participation of the Frank family in the hearing was not elaborated upon. Two of the attorneys for the prosecution, one of whom testified his fee was \$250 a day, said they had been engaged for the state through Samuel Etzioni, former corporate counsel for Chicago, and a friend of the Frank family. It was advised with the prosecution but did not participate openly.

Mr. and Mrs. Franks appear as opening day witnesses to the estate which the corpus, delict, and Foreman Leopold, brother of Nathan, and Alan Loeb, brother of Richard, and Jacob M. Loeb, uncle of Richard, and former president of the Chicago board of education, were the only members of the defendants' families on the witness stand.

The youthful murderers were graduated as the youngest members of their classes at the University of Michigan, each now being 19 years old. They are children of old Chicago families. The Leopold family has been in Chicago since 1867. Albert H. Loeb, father of Richard, was born in Chicago in 1888. The grandfathers of both youths were among those who, like Carl Schurz, came to this country from Germany in the wake of the failure of the revolution of 1848. Both families, like the family of Bobby Franks, are of Hebrew descent.

BASKETBALL TENNIS AT TRAP HIGH NOW

Old Trap, Sept. 10.—Basketball and tennis will be the leading athletic activities of the Old Trap High School this fall, according to the principal W. G. Johnston.

The tennis court has not yet been put into shape but it will be ready to receive some tennis stars. It will be a good showing this year. If we cannot get up a match this fall with Camden County High Schools we will be glad to see what we can do with a team from Elizabeth City.

As in Currituck County, Camden County High Schools opened on the first of September. The principal is assisted on the High School faculty by Miss Mary Frank, a Sawyer of South Mills. Mr. W. G. Johnston teaches the sixth and seventh grades and Miss Anne Bell Wood of Hertford has charge of the fourth and fifth grades. Miss Vera Collins of Roanoke is teaching the second and third grades and Miss Freda Leary of this place is teaching the first grade pupils.

There are 33 pupils enrolled in the High School and 125 in the grammar grades.

Mr. L. T. Palmer of Old Trap is spending his vacation with relatives in Raleigh and Norfolk.

"Upon the death of an uncle I inherited \$50,000. I gave up my position and intended enjoying myself when I was stricken with a severe case of stomach trouble and colic attacks. Two of these attacks made me lose consciousness. After treating with our best doctors with little benefit, I decided to try Mayr's Wonderful Remedy, and it helped me at once. I have been entirely well for past year." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. HOME AND FURNITURE GO UP IN FLAMES

Washington Sept. 10.—The residence of O. B. Wynne, located about three and half miles from this city on what is known as "Cove Road," was burned Monday night to the ground. No piece of furniture nor any clothing belonging to the family was saved. The fire was discovered at 8 and 9 o'clock and had extinguished although the tenants on the farm worked like Trojans.

BOY LOSES ARM

Washington, Sept. 10.—Monday afternoon while engaging in help to unload a fishing boat at Blount's Creek, the ten-year old son of Mr. and Mrs. Glasgow, Smith of Farmville, was shot accidentally in the arm by a shotgun firing. The boy was rushed to the Washington Hospital, where upon examination it was found necessary to amputate the arm. While he spent a restless night and is much weakened from loss of blood he is doing very well today.

went in a Ford touring car and that there were at least two men in the party. Apparently they were after money, but they got only \$7.50 as a result of two robberies and one attempt.

The \$7.50 which they obtained in cash was at Poplar Branch High School, where they gained entrance to the building by removing a pane of glass from one window and broke into the cash drawer. They also removed a pane of glass from the store of John Tillett and were on the point of breaking in when Mr. Tillett, who sleeps above his store, heard them. The intruders heard Mr. Tillett as he sprang from bed and fled after firing a pistol at him as he shouted them to get off.

Other places entered were the residence of L. C. Baum, which was unoccupied and the garage of Avery Woodhouse, but though a desk in the Baum residence was ransacked there was no evidence that the intruders found anything to interest them at either of these two places.
