A TE TOO FAST
South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Baltimore, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theford's Black-Draught.
"Just after I married I had indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.
"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."
Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days. NC-164

Fashionable Pump

What My Neighbor Says

Is of Interest to Elizabeth City Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following cure is only one of many thousands, but it is that of an Elizabeth City resident. Who could ask for a better example?

Mrs. D. E. Woodward, 704 Southern Ave., says: "I trained my back and the pain was so bad I had to use a stick to get around. My head ached and my nerves were unstrung. Often I became dizzy and my kidneys didn't act right. I used Doan's Pills and the trouble disappeared."

AFTER THREE YEARS, Mrs. Woodward added: "I have taken Doan's occasionally and they have prevented any return of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Woodward had. Foster-Milburn Co., Mfrs., Buffalo, N. Y., adv.
