

"Peace Hath Her Victories
No less renowned than war," said Milton, and now, in the Spring, is the time to get a peaceful victory over the impurities which have been accumulating in the blood during Winter's hearty eating. The banner of peace is borne aloft by Hood's Sarsaparilla.

It brings rest and comfort to the weary body racked by pains of all sorts and kinds. Its beneficial effects prove it to be the great specific to be relied upon for victory. Hood's never disappoints.

Salt Rheum.—My mother was seriously afflicted with salt rheum and painful running sores. No medicine helped her until Hood's Sarsaparilla was used, which made her entirely well. **Essie E. Maplestone, 435 Dearborn Street, Chicago, Ill.**

Tired Feeling.—I had that tired, dull feeling, dyspepsia, headaches and sinking spells, but Hood's Sarsaparilla, a new man's never was better than now. **JOHN MACK, Okaloosa, Iowa.**

"M. D." Was His Trade.

A Canadian river steamer was recently the scene of an amusing blunder. A lady passenger was taken ill in the night, and the steamer did not carry a doctor. The list of passengers was read through, and in it there was the name, "James Thompson, M. D." The steward ran to the passenger's berth, and aroused him by vigorous blows at the door.

"What's the matter? Is the boat sinking?" came from within in a startled tone.

"There's a passenger ill, and we want your assistance, doctor," replied the steward.

"What are you playing at?" growled the voice. "I ain't no doctor."

"Why, you have got 'M. D.' after your name?"

"Well, I can put them letters after it if I like, can't I?" said the voice within. "That's my trade. I'm a mule-driver."

SORROWS OF STERILITY

MOTHERHOOD is woman's natural destiny. Many women are denied the happiness of children through some derangement of the generative organs. Actual barrenness is rare. Among the many triumphs of Lydia E. Pinkham's Vegetable Compound is the overcoming of cases of supposed barrenness. This great medicine is so well calculated to regulate every function of the generative organs that its efficiency is vouched for by multitudes of women.

MRS. ED. WOLFORD, of Lone Tree, Iowa, writes:

"DEAR MRS. PINKHAM—Before taking Lydia E. Pinkham's Vegetable Compound I had one child which lived only six hours. The doctor said it did not have the proper nourishment while I was carrying it. I did not feel at all well during pregnancy. In time I conceived again, and thought I would write to you for advice. Words cannot express the gratitude I feel towards you for the help that your medicine was to me during this time. I felt like a new person; did my work up to the last, and was sick only a short time. My baby weighed ten pounds. He is a fine boy, the joy of our home. He is now six weeks old and weighs sixteen pounds. Your medicine is certainly a boon in pregnancy."

MRS. FLORA COOPER, of Doyle, S. Dak., writes:

"DEAR MRS. PINKHAM—Ever since my last child I suffered with inflammation of the womb, pains in back, left side, abdomen and groins. My head ached all the time. I could not walk across the floor without suffering intense pain. I kept getting worse, until two years ago I wrote to you for advice, and began taking Lydia E. Pinkham's Vegetable Compound. I had not finished the first bottle before I felt better. I took four bottles, and have been strong and perfectly healthy ever since, and now have two of the nicest little girls."

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A Prince Comes Visiting.

Crown Prince William of Prussia is expected to pay a visit to the United States next year. This youth, the heir apparent to the throne of the German Empire, who is now in his eighteenth year, is an intelligent, well-bred and manly fellow. Like all the six sons of Kaiser Wilhelm, he has been carefully trained, especially in military matters. Prince Frederick has been a colonel in the German army since he was ten years old. He is a fearless rider, an accomplished fencer and as well educated all around as is possible for a youth of his age. Yet withal he is said to be a quiet, studious lad, fonder of his books than of his horse or his gun, and more likely to defend his own country than to attack others. Thanks to his simple out-of-door life, his health is excellent, and he is well grown and physically perfect. — **New England Home Magazine.**

An Excellent Combination.

The pleasant method and beneficial effects of the well-known remedy, **FRUIT OF FIGS**, manufactured by the **CALIFORNIA FIG SYRUP CO.**, illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. In a Colonial Parliament.
New South Wales parliamentary humorists have found a butt in the bull-voiced Monaro Miller. He was looked upon as a rather ordinary bore until, when he was roaring his loudest, "Jack" Haynes politely asked him to speak up, and Miller, not noticing the "borak," spoke up. "I beg your pardon," said John, leaning forward, with his hand to his ear, after the manner of the deaf. Miller nearly lifted the roof as he bawled the remark again. "Excuse me, I couldn't quite catch it," said Haynes, solemnly, his hand still to his ear, and it was not until he had awakened the whole neighborhood and members were rushing in to see what the explosion was that the man from Snowy River "dropped."—**Sidney Bulletin.**

Suspected the Bank of England.
An elderly lady quite recently called to cash a dividend warrant at the Bank of England, for which she required notes. On the notes being handed the lady she rather indignantly refused them, as they were not signed by Mr. May (the late chief cashier). Mr. Bowen's signature evidently didn't satisfy her, as she remarked she had been "had" before with notes and intended to take good care not to be again. Explanations were in vain for some time, but eventually a high official satisfactorily explained matters and the incident closed.—**Notes and Gold.**
