MILLIONS GIVEN AWAY.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases, Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on Plymouth Drug Co., and get a free trial bottle. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

The greatest want of this age is marriage licenses with divorce coupons attached.

"During the hot weather last summer I had a severe attack of cholera morbus, necessitating my leaving my business," says Mr. C. A. Hara, of Hare Bros., Fincastle, Ohio. "After taking two or three doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy I have completely relieved and in a few hours was able to resume my work in the store. I sincerely recommend it to any one afflicted with stomach or bowel trouble." For sale by all druggists.

The Verdict, Not Guilty.

Their many friends will be glad to learn that the trial of Mess. J. R. Brooks and W. D. Cooper who were charged with arson at Wilson, resulted in a verdict of not guilty, and that the gentlemen were fully exonerated by the court and people. It is unfortunate that innocent men should have to suffer the humiliation of such a charge, and more so when the newspapers of the State publish the fact that such charges have been made, and even comment upon the probable guilt of the parties and then fail to publish the facts after the trial, or even refer to it.

"I have used Chamberlain's Cough Remedy in my family for years and always with good results," says Mr. W. B. Cooper of El Rio, Cal. For small children we find it especially effective." For sale by all druggists.

New Board of Education.

Having previously met and elected Mr. Thos. W. Blount, Chairman, the new Board of Education elected by the Legislature, met on Monday to take charge of the office. The old Board also met in the office and some of its members seemed to ignore the new Board and it appeared that the new Board were not to get charge, but Mr. Blount, feeling that as Chairman the property ought to be in his charge, he walked in and took possession of the records, and the new Board proceeded to elect a Superintendent of County Schools in the person of Prof. B. F. Hassell, Jr., who qualified, and the Board proceeded to business by calling on the Treasurer and ex-Superintendent for their reports, which were in due time rendered. The Board then elected the Trustees for the various townships.

This new Board is indeed an able one, composed of some of the best men in the county, they being Mess. Thos. W. Blount, H. A. Litchfield, (Chairman of a former Board), and W. A. Alexander. Their selection of a Superintendent of County Schools ought to be satisfactory to the people, inasmuch as he is one of the leaders in the work of Education.

On the morning of the 10th at 7:30 o'clock, vehicles of almost every description, filled with mirthful ones, left Scuppernong enroute to the sound in high life, contemplating a jolly time. When reaching that place every care seemed to have vanished, and the good time continued throughout the day. Refreshments were served and at 12 o'clock came dinner, nice enough for a king to have partaken. Luscious fruits and the choicest delicacies were spread in abundance before the hungry pleasure seekers. After the repast was over, we embarked on the "Water Queen" and were soon gliding over the cool rippling waters of the old Albemarle. The wind was fair, and the clouds clear. The ladies enlightened us with both vocal and instrumental music, and the sweet words of "There'll

Come a Time" and many other popular songs were gently wafted by the pleasant breeze to shore. The Misses Lucas were among the visitors and their sweet presence added much to the enjoyment of the crowd. It was with sad hearts that the "good-byes" were spoken, and the gentlemen took their companions to the baggage and went home rejoicing over the pleasantly spent moments on the pic-nic.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by all druggists.
