GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bettles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excel-lent." This shows what thousands have proved,-that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expets poisons, helps digestion builds up the strength. Only 50 cents. Sold by Plymouth Drug

Protect Your Women.

The assaults on women seem to be on the increase in North Carolina. Even the little children are not spared, two little girls aged 4 and 11 years respectively were assaulted last week in the western part of the state by black brutes.

Our people and especially country residents should be very careful not to allow their wives and daughters to traverse lonely roads by themsel-ves, and also keep your little girls where you can watch them.

Learn your women folks how to shoot a pistol and gun so that when you are away or they are compelled to leave home by themselves they may use them if necessary. If the devils knew they stood in danger of being shot by the women of our country there would be fewer as-

A CORRECTION.

EDITOR BEACON:

In your issue of Friday, the 1st inst., there is a statement in regard to a member of my company, (H, 17th N. C., Vols) which I hope you will correct. In the first place, the incident referred to, was not at or near the celebrated crater, but near the Old Gas Works in front of Petersburg. In the next place Co., H. had her full compliment of officers and it never occurred at any time during the war, that all of them were absent at one time. They are all living now and can answer for themselves—they are, 1st Lt. S. B.
Johnston; 2nd Lt., W. R. Chesson;
3rd Lt., T. I. Gray, and myself.
The fact is this; a mortar shell fell in the midst of company messes while they were eating. Private W. J. Ausbon coolly went to the shell with its fuse still burning, picked it up and threw it over the breastwork, without orders from any one. It was that or death for the whole mess for But the shell actually exploded on the "I cal other side of the breastwork before lutely. striking the ground.
