SPECIAL CORRESPONDENCE.

RALEIGH, N. C., March 19, 1900. A Republican of prominence from the eastern part of the State said to-day that he violently opposed his party's having any organization in the East for the August election, and assigned as a reason that to organize would only make the whites more determined to carry the election. This was thing. a delicate way of expressing his belief that the Democrats would certainly win.

The fact is that the Republicans so far have no plans and no candidates. It is always their custom to select their men before hand, make up a slate in fact, but this year they are at sea, and offices appear to go begging. They know Democratic nominations are equivalent to elections. The editor will not be responsible for the views Not a Republican can be found who has The editor will not be responsible for the views of correspondents.

All articles for publication must be accommanied by the full name of the writer.

Correspondents are requiested not to write on but one side of the paper.

All communications must be sent in by Thursday morning or they will not appear.

Not a Republication to describe any idea who will be his party's nominee for Governor. Out of dozene asked, not one has answered with any degree of positiveness. Some say in a vague way, Richmond Pearson, while others say be doesn't mond Fearson, while others say he doesn't want the nomination, but does want to go to Congress from the Ninth District,

Complete as was Republican Chairman Holton's downfall and collapse two years ago, Republicans are saying he will be re-

Speakings are in progress in many counties and wildly scattered. The amendment is the sole topic. The plan to make all else attracting attention and without subordinate to it is being carried out by the Democrats. The Republicans are putting some speakers in the field, but they do most of their work by bush-whacking, taking single voters or very small groups. sion managers have sent the word It will be a costly campaign for them, but down the line that this year the ne- of course their National Committee will gro must stay in the background, help them, as it did in 1806, when it gave \$60,000 for North Carolina. In a lew cases Populists are speaking, but a very few. Senator Butter is practically the only Populist to make any sign, barring the nine members of the State Committee who met here in January and fulminated against the

> A Populist, who in 1896 was of State prominence, gays Senator Butler is dealing with the Republicans as if he could command, or commanded, 60,000 Populists, the amendment would do so anyway, Butler or no Butler.

Some of the Populists, who in 1896 and 1898 were prominent in politics, will this year retire. State Auditor Ayer, ex-Chair-FROM observation our experience man, is one. The Populists who are trying to drive their people against the amendment have discovered that they cannot

of cards from the different aspirants Central and Eastern North Carolina the If one asks people from the country in for nomination. These cards are question, "What do you hear the white paid for, of course, and not only Republicans saying on the question of the show the public that the subscriber amendment?" the reply is, "They are diis in earnest in soliciting the support | vided ; some for and some against it." A politician would declare they wars all against it

may possibly bring to bear to secure tion is interesting. It is passive. He sees what is sure to happen. Jim Young says Not only this, but there is no the negroes care nothing about registering local paper that comes to our office or voting, feel little or no interest in the election, gud want the white people to settle the franchise matter, the negroes meetings, conventions or primaries, merely wishing to be let alone. The white called through its columns, besides Republicans want the negroes to keep out other' party work that tends to en- of conventions, keep in the background in fact, but to register. Young, speaking for We have never even been asked to the negroes, says there will be few, if any, publish a call, a card, a convention whether this is of their own motion, or or a primary (it all being done by whether it is not a following of the wishes

A "black rain" fell in this county last Thursday morning.

At least that's what folks are calling it for want of a better name-"black rais."

And nobody has yet been able to explain the phenomenon, for no one has been found who ever before saw or heard of such a

The rain fell early Thursday morning in a belt extending, so far as is now known from Louisburg, in Franklin county, westward by way of Wake Forest to Morrisvalle, in this county.

It came from a cloud of such intense blackness that just before and during the rain, at Morrisville, lamps had to be lighted. The water that fell looked like rain water mixed with soot.

Nobody has been able to affer any explanation for the phenomenon .- Raleigh News and Observer.
