THE ROANOKE BEACON, Plymouth, N. C.

THE WHITE MAN'S TICKET.

FOR STATE OFFICERS.

- For Governor: OHAS. B. AYCOCK, of Wayne. For Lieut. Governor: W. D. TURNER, of Iredell. For Secretary of State: J. BRYAN GRIMES, of Pitt.

FOR COUNTY OFFICERS.

- For Representative: THOS. W. BLOUNT. For Sheriff: W. J. JACKSON. For Treasurer: M. M. ALEXANDER.

The Democratic Senatorial Convention for the Second District has been called to meet at Jamesville June 12th at 2 o'clock p. m., and if the delegates then assembled know a good thing when they see it, and we think they will, they will nominate by acclamation, that brave, true, fearless advocate of White Supremacy, Hallet S. Ward, of Washington, together with his right bower, J. W. Miller, of Pamlico.

In the contest now waging in North Carolina says the Wilmington Messenger for and against the democratic suffrage amendment to be voted upon next August, there is so much at stake in behalf of the continued prosperity and welfare generally and peace of North Carolina—so much connected directly with the supremacy of the white race—so involved as to good and honest and equitable government that there must be iteration and reiteration of the question in its several phases and bearings.

The constitutional amendment sets forth the fact that a white man no matter how poor or unlearned he may be, is still very superior to the colored man. It makes a clear distinction between the poor white man and the black man. It simply says the poor white man is better than a negro.

Mr. S. B. SPRUILL has been appointed by the County Executive Committee organizer of White Supremacy Clubs for this County. This is a most excellent appointment. Mr. Spruill is thoroughly qualified for this work and will give it his personal attention.

During the last campaign these clubs were a very important factor and, wherever they were organized, very effective work was done. The purpose of the clubs will be to see that all voters are registered and that they attend at the polls and vote. They will also be the means of seeing that persons not entitled to vote are challenged, and do general campaign work.

MILLIONS GIVEN AWAY.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine.

A flower will have something sweet to say to you, no matter where you put it.

Your blood is thin and yellow, your system weakened, your appetite gone, your liver idle, and you are all out of order when malaria lurks in your system. Drive it out with Ikonen's Chill Tonic.

If you would grow more in grace, by praying more for people you don't like.

The best prescription for Chills and Fever is a bottle of Grove's Chill Tonic. It is simple and in a tasteless form.

MR. KENNY'S STRONG LETTER.

The Windsor Ledger of this week contains the following letter from Dr. Stephen B. Kenney, addressed to Mr. J. B. Stokes, chairman of the Democratic Executive Committee of Bertie county:

Dear Sir:—You have been informed correctly. I do intend to vote for the Constitutional Amendment. I can see no reason why I, as a citizen of North Carolina, desiring the happiness and prosperity of her people, should oppose it; but I could give you, if necessary, many reasons for voting for its ratification, which means much for Eastern North Carolina.

Its adoption means restored confidence in the honest and prudent management of local affairs, increased immigration, the influx of capital, more interest in public education, better equipped schools, labor dignified, politics purified, and eventually the building up of two political parties, imbued with true patriotic sentiments, and divided only as to the methods of accomplishing the same end; the perpetuity of pure government and the happiness and prosperity of her people.

As a Republican who has supported its national candidates ever since the organization of the party, and who answered promptly Mr. Lincoln's first call for troops in defense of its principles, I feel that in supporting the proposed amendment I am not only doing my duty as a citizen, desiring the welfare of his State, but acting in a line with the expressed sentiments of the immortal Lincoln.

Very respectfully, S. B. KENNEY, M. D.

Dr. Kenney was born in Oxford county, Maine, in the Congressional District now represented by Mr. Littlefield, whose speech in the Roberts' case attracted much attention. Dr. Kenney is a graduate of Dartmouth College. He was in the Union Army from 1861 to 1863 as an assistant surgeon. He moved to Windsor, Bertie county, in 1867, where he is a prominent and useful citizen.

ANOTHER CASE OF RHEUMATISM CURED BY CHAMBERLAIN'S PAIN BALM.

My son was afflicted with rheumatism which contracted his right limb until he was unable to walk. After using one and a half bottles of Chamberlain's Pain Balm he was able to be about again. I can heartily recommend it to persons suffering from rheumatism.—JOHN S. BAKER, Freed, Calhoun Co., W. Va. For sale by all druggists.

The small boy whose grandmothers are both dead stands a pretty good chance of not being spoiled.

I have been a sufferer from chronic diarrhoea ever since the war and have used all kinds of medicines for it. At last I found one remedy that has been a success as a cure, and that is Chamberlain's Colic, Cholera and Diarrhoea Remedy.—P. S. GRISHAM, Gears Mills, La. For sale by all druggists.

"TALKING to the possession of my dealer, I changed child tonic and tried Chamberlain's, and found it the best I ever used, and shall in future continue its use." W. H. Corrier, Jamesville, S.
