His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened, I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and Lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Spruill & Bro's; every bottle guaranteed.

Truth crushed to earth will surely rise—unless washed too flat by campaign lies.

CAUGHT A DREADFUL COLD.

Marion Kooke, manager for T. M. Thompson, a large importer of the military at 1655 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Plymouth Drug Co., and Roper Store Co.

May-Day Fun.

Plenty of Work.

The following from the Galveston News will apply equally well to North Carolina:

There is plenty of work in Texas for men who want to work. Therefore there is no room for the loafer, white or black. The man who will not work must live, just as the man who will work must live. If he does not labor he must get his bread in some way that is not fair and honest. It is a public question, and as such the state should deal with it. Crime is committed by the idle. The roads need working.

Spring coughs are especially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. Plymouth Drug Co., Roper Store Co.

Confederate Veterans' Association.

The Tyrrell County Confederate Veterans' Association will meet at Columbia on the second Thursday in May, 1901, at 10 o'clock A. M.

A cordial invitation is extended to the Confederate Veterans of Tyrrell and adjoining counties to attend.

Addresses will be made by Col. Wm. F. Beasley and other veterans, and an effort will be made to raise funds to erect a monument commemorating the deeds of valor and glory of the Confederate soldiers.

T. L. JONES, Commanding.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Maunawney, Pa. Plymouth Drug Co., Roper Store Co.

Making a Farm Pay.

When a farmer can invest \$2000 in a farm and make a living he will have done well if he has \$200 at the end of the year in cash, or in the form of increase of stock, as the \$200 represents 10 per cent of interest on his investment. In supporting his family and paying all expenses he reimburses himself for his labor. There are many farmers who claim that farming does not pay, but who if they will consider the investment and keep account with the farm, and find they derive more, in proportion to capital and labor invested, than do many who are engaged in other occupations.—Roxboro Courier.

This is the time of year that destructive fires are liable to visit the town, have you got your property protected by insurance? If not call on W. Fletcher Ausbon and get a policy to-day. All classes of property insured at adequate rates, and only reliable Companies represented.

Of Interest to Farmers.

As the spring has opened and crops are being planted, insects are becoming numerous and their ravages will soon begin. We wish to urge farmers not to wait until a crop is ruined, and then write for information, but as soon as an insect enemy is detected, send some specimens to this office, so that they may be identified, and remedies suggested. The importance of the work against injurious insects is becoming more and more apparent. Everybody is invited to make free use of this office to obtain information regarding insect friends and foes.

Stay in North Carolina.

In a recent address to the students of the University, President Venable said: "Stay in North Carolina. It is going to be one of the foremost States in the South and the young man who leaves it will be sorry for it."

That's the sort of talk that the leaders and educators of the State ought to give to the young men looking to them for advice. North Carolina has lost more in the going away of its young men than in any other way. Many of our best young men have in times past felt that to win large success they must go away; "Emigration has been our bane." The tide has turned. Our young men find the largest opportunities for success and development in their own homes and in daily association with the friends of their youth.

"Stay in North Carolina" is a text for commencement orations, for editorials, for counsel from teacher to pupil.

"I had piles so bad I could get no rest nor find a cure until I tried DeWitt's Witch Hazel Salve. After using it once, I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. Be sure you ask for DeWitt's. Plymouth Drug Co., Roper Store Co.

Died.

On Sunday last the Messenger of Death entered the home of Mr. Jno. M. Stillman, near this town, and claimed the spirit of his aged mother, Mrs. S. A. Stillman, in the 88th year of her age.

Mrs. Stillman had been a great sufferer for quite a while, and death was doubtless welcomed by her, though exceedingly painful to the loving ones left behind.

She had been a faithful member of Corinth Free Will Baptist Church for over fifty years, being at the time of her death the oldest member of that church, and is now one of its brightest representatives in heaven.

Mrs. Stillman leaves four children in bereavement, two sons and two daughters, to whom we join their many friends in extending heartfelt sympathy.

The funeral services were held at the home of her son, where she died, on Tuesday afternoon, the same being conducted by Rev. Mack Davenport, the remains being buried on the farm.

A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER of COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."
