BEACON FLASHES.

Lent begins next Wednesday.
Next Friday will be St. Valentine's Day.
Mr. Louis P. Hornthal went to Norfolk on Tuesday.

The ground hog must have been puzzled last Sunday.

Col. W. F. Bessley, of Baltimore, was in town this week.

A full line of the well known Wilson heaters has just been received at Hornthal's. If you want a good heater, call and get one.

Can't some of you who owe for subscription bring us a pig?

Your help in the way of local items will be greatly appreciated.

Mr. W. H. Corpew, formerly of Jamesville, but now of Edenton, was in town on Monday.

There is nothing finer for breakfast than "Quaker Oats," with "Columbia Cream." Louis P. Hornthal.

Next best is "Colonial Maize Flakes." Fine as silk. Try them. Louis P. Hornthal.

Separator H. S. Ward has been in attendance upon the Supreme Court at Raleigh, this week.

We learn that the Washington & Plymouth Railroad will be in operation by the first of March.

Mess. W. J. Starr, H. W. Tarkenton and G. D. Swain, of Creswell, were in town on Monday.

For those who may wish something in the way of a heater that is cheaper than the Wilson, we have them in all sizes and at all prices. Louis P. Hornthal.

Mrs. H. S. Owens and children are here, the guests of Mrs. Owens' mother, Mrs. L. M. Lehman, on Main street.

The Bazaar held on Tuesday and Wednesday evenings by the ladies of the M. E. Church was very successful.

Our citizens should read and think over seriously the article in this issue signed "R." It gives reason why we are where we are, and suggests the remedy.

Don't make the mistake of buying a heater before calling on Louis P. Hornthal. He has them in all styles, sizes and prices, and can suit you and save you money.

Mr. H. E. Vandervort, wife and children, of Lumber, S. C., spent last Friday night with Mr. and Mrs. T. J. Lewis, enroute for a visit to Mrs. Vandervort's parents, Mr. and Mrs. W. M. Chesson, at Muckey's Ferry.

Some of the prisoners tried to burn their way out of jail last Saturday night. They burned through the upper ceiling all right, but when they found iron grating above they decided to stop. Sheriff Jackson now has them in the cage.

If those who have received bills from us, as well as others who know they are indebted to us, would try and pay same immediately we would be greatly obliged as we are hard pressed for ready money right now. Please don't put the matter off until next week. We need it now.

For Fresh Garden Seed call on H. B. Sedberry & Co. These seed are bought direct from the growers, and are grown in the North, which makes them more hardy and earlier than those grown in the South. A full variety now on hand.

We clip the following from the death notices of the Baltimore American of last Thursday (Jan. 30): "LEGGETT.—On the morning of January 29, 1902, George Raymond, aged six years, second child of Albert S. and Mamie Truesler Leggett.

We gaze upon our sleeping boy,
Then pause—no word we say;
His little chair, his noisy toy,
We gently lay away.
God, give us strength to be resigned
Unto thy will that we,
When life goes out, like him, may find
A resting place with Thee."

To My Friends and Patrons—To secure more room I have moved my saloon from Washington street to the old stand of J. L. Savage, on Water street, opposite the drug store, where old friends and new ones will be cordially welcomed. L. S. LANDING.

"The reader may make up his mind to be pleasantly overwhelmed by the opulence and vivacity of "Around the Park" published by the Nutshell Publishing Company, 1059 Third Avenue, New York. The wonders begin with the frontispiece picture of President McKinley drawn in a single line beginning at a point on the cheek bone and going round and round in a constantly widening circle, with waverings and downbearings of the pen in the proper places to secure detachment and shading. We are told that this portrait "is considered the most unique work of its kind in the world," and if there are degrees of uniqueness we are willing to believe that this is most the thing of which there are no duplicates. Of course there is text in addition to the pictures, and we should be surprised indeed to hear from any purchaser the opinion that he had not got his money's worth (\$2.00).—Review of New York Sun.

Saved Her Child's Life.
"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton," writes Mrs. W. Watkins, of Pleasant City, O. "A terrible cough set in, that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for Coughs, Colds and all Lung diseases Spruill & Bro., guarantee satisfaction. 50c, \$1.00. Trial bottles free.

CRESWELL ITEMS.

Not much news this week.
Mr. Sanford Sexton's bar was burned last Saturday night.

Mr. Robert Spruill left last Monday for Mountain View, Okla.

Miss Anna, daughter of Mr. Haywood Tarkenton, died Monday morning.

Sheriff Jackson and Supt. Everett were in town Monday, on official business.

[The above was intended for our last issue, but was not received until after the paper was printed.—Ed.]

YOU KNOW WHAT YOU ARE TAKING

IMPORTANT TO CONFEDERATE VETERANS & FRIENDS.

Volumes 1, 2 and 3 of "Regimental Histories of North Carolina" have been issued and volume 4 is printed and nearly ready. These volumes can be had at \$1 each, from the State Librarian. Volume 5 is printed also, except "corrections" and the "index," which will delay its issue till March 1st. As the first requisite is accuracy and usefulness all who may discover any errors and omissions in the work are earnestly requested to send corrections to "Editor Regimental Histories," Raleigh, N. C., by the 15th of February. Those who failed to get the photos of their friends in previous volumes can have them placed in volume 5 by sending them to Maj. C. L. Patton, University Publishing Company, New York City, by the 15th of February, 1902. The photos must have been taken "during the war or not long after" and must be accompanied by money order for \$2.50 as the State does not pay for engravings. No line is drawn at rank. Photos will be returned by Major Patton to senders. This is the last opportunity for corrections or photos.

All the papers of the State are earnestly requested to copy this for information to the Confederate veterans among their readers.—News and Observer.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of nebristes. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease, only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. C471 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.
