BEACON FLASHES.

Good Friday.  
Sunday will be Easter.  
Mumps continue to rage in this community.  
Mr. H. L. Freeman dropped in and subscribed since our last issue.  
Mr. E. D. Carstarphen has been on a visit to New York this week.

When you have read your paper mail it to a friend. It is better than a letter.  
We have a splendid market in Plymouth, but it is awfully hard to get anything to eat sometimes.

Fishing season should be in its prime, but there is not enough fish caught to supply the local demand.

For Sale Cheap—I will sell the Norman cottage at Nag's Head very cheap. No reasonable offer refused. W. F. AUSBON.

If you receive a copy of this paper and you are not a subscriber, consider it an invitation to become one.

Mr. Herman Hornthal of Norfolk, has been here this week, the guest of his brother, Mr. Louis P. Hornthal.

The Atlanta Constitution and this paper, both, are still sent for \$1.50 a year. Sample copies furnished on application.

Mr. C. A. Walker, who has been an inmate of the Soldiers' Home at Raleigh, came down on Sunday night and is now in our midst.

Young ladies desiring to make some money with which to go off to school may write at once to Littleton Female College, Littleton, N. C. 3 28

Chief of Police Chesson is proving to be a holy terror to evil doers. He says he is under oath to enforce the law, and that he intends to do it.

The merchant who does not advertise cannot expect his full share of public patronage. It is not human nature to go where you are not invited.

To My Friends and Patrons—To secure more room I have moved my saloon from Washington street to the old stand of J. L. Savage, on Water street, opposite the drug store, where old friends and new ones will be cordially welcomed. L. S. LANDING.

The negro who poisoned and came near killing the family of Dr. D. T. Taylor, at Washington last week, and who was taken to Williamston jail for safe keeping, was found dangling at the end of a rope near Washington on Tuesday morning last.

Mr. H. B. Sedberry has been to his old home at Fayetteville this week, having been called there by the death of his sister, who had been ill for some time. Mr. Sedberry was deeply devoted to his sister and we extend to him our sincere sympathy.

Dr. Hardy H. Norman would say to his old friends, together with the public generally, that he is permanently located in the town of Plymouth, office at Roanoke Beacon office, where he can generally be found, unless otherwise professionally engaged. Special attention given to diseases of heart and lungs.

The Vice Of Nagging

Clouds the happiness of the home, but a nagging woman often needs help. She may be so nervous and run-down in health that trifles annoy her. If she is melancholy, excitable, troubled with loss of appetite, headache, sleeplessness, constipation or fainting and dizzy spells, she needs Electric Bitters, the most wonderful remedy for ailing women. Thousands of sufferers from female troubles, nervous troubles, backache and weak kidneys have used it, and become healthy and happy. Try it. Only 50c. Spruill & Bro., guarantee satisfaction. \*

Are You Going

to Charleston week after next? If you are you should read the BEACON this week thoroughly, so that you will be somewhat familiar with the Exposition when you get there. We give an exact delineation of it this week, which will be an inestimable aid to you should you go, and if you are so unfortunate as to have to stay at home, you can read all about it and inform yourself concerning this great Southern Exposition now in full blast in our sister State.

TO CURE A COLD IN ONE DAY.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c. nov 12-1y

Some Dont's.

Don't make it a habit to borrow your neighbor's paper. The paper is too cheap to do that.  
Don't make it a habit to lend your paper. You might want it sometime when it's away from home.  
Don't be a clam, but take your county paper like a good, industrious citizen and keep posted on the happenings of your section.—Ex.

Surgeon's Knife Not Needed.

Surgery is no longer necessary to cure piles. DeWitt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits.

Broke Jail.

There was a jail delivery here last Sunday night. One of the prisoners who was not closely confined, broke the others out of their cells and together they broke out of the building. They were seen on the streets by Mr. R. P. Walker, who notified the Sheriff, who at once went in pursuit and captured two of the four about five miles from town, that night. On Monday he organized a posse and scoured the country, but could not find the others. However Mr. Job Clayton, who was on the lookout for them, caught one of the remaining two near Mackey's Ferry and brought him up Monday. The other one is still at large.

Stops the Cough and works off the Cold.

Laxative Bromo-Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents. nov 12-1y

At Mrs. A. M. Ayers'.

While not advertising any opening day in particular, every day is opening day at Mrs. A. M. Ayers' millinery store. Mrs. Ayers is an old hand in the business, and together with her experience and Miss Allie's taste, our people know they can always find something nice and fetching in the millinery line when they call there. She has a prettier line this season than ever before, and the people have found it out. That's why she is filling so many orders just now.

Lockjaw From Cobwebs.

Cobwebs put on a cut lately gave a woman lockjaw. Millions know that the best thing to put on a cut is Bucklen's Arnica Salve, the infallible healer of Wounds, Ulcers, Sores, Skin Eruptions, Burns, Scalds and Piles. It cures or no pay. Only 25c at Spruill & Bro's. store.

The County Home.

At a meeting of the County Commissioners held on Monday, March 17th, to receive bids to build houses for the county home, Mr. W. J. Jackson was the only contractor to make a bid, and was awarded the contract to build three new houses; his bid for the same being \$1,250.

The change from one large house to several cottages was, we think, a good one, and has many advantages over the old way, especially in cases of fire, contagion, serious illness, etc.

The suggestion which led to this change was made by Col. W. F. Beasley, who was untiring in his efforts to secure the very best accommodations for our county poor when he found that a new home was to be built, and the inmates we are sure will thank him for it, as they have reasons to thank him for other kind considerations in times past.

Mrs. Latham's Spring Opening.

Tuesday and Wednesday were beautiful days, and they being opening days at Mrs. Annie Latham's, the public took advantage of them and turned out in full. From morning until night of both days Mrs. Latham and her assistants were kept busy showing the many pretty things and taking orders for Easter hats and spring millinery. There is no doubt about it; Mrs. Latham has the experience, and when she selects a stock it is exactly what the people want, and they know it.

Wood's Seeds.

Va. Second Crop Seed Potatoes.

These are the result of growing two crops in the same year, the first being planted from select Maine Seed Potatoes, and the seed selected from this crop planted again in July or August. They not only make their crop earlier, but they also make a larger yield and much surer crop than Maine or Northern-grown Seed.

Our stock is very superior and we always ship in full-sized double-head barrels. Wood's 1902 Descriptive Catalogue gives very interesting information about Potatoes. Mailed upon request.

We have also large stocks of the best MAINE and NORTHERN-GROWN SEED. Write for special Potato price-list.

LOUIS P. HORNTHAL'S COLUMN.

"Granny, does your spectacles magnify?" asked a little boy. "Yes, they make things look very much larger than they are." "Well, please take them off when you cut my cake."

The little fellow evidently wanted all that was coming to him. And you will surely get all that is coming to you when you shop at Hornthal's.

Now, it was very gratifying to us, last Tuesday at our Opening, although the weather was against us, we surely had the crowd, and we feel very proud at the business we had, and on the other hand we had the goods they were looking for. Below we call your attention to some of the new things:

Silks, in all shades. Ribbons, in all shades, at wholesale prices. Silk Grenadines, Tucked Minstrel Cloth, also Plain Minstrel Cloth, in all shades. English Crepe Cloth, Ettomenes; also Blacks in the newest novelties. Silk Crepe de Shine, in all colors. French and Zephyr Gingham. Silk Gingshams, in Plain and Fancy for new Shirt-Waist suits. EVERYTHING.

Miss Ott at all times will offer her suggestions to all that wish her ideas.

Louis P. Hornthal.

IS YELLOW POISON

in your blood? Physicians call it Malarial Germ. It can be seen changing red blood yellow under microscope. It works day and night. First, it turns your complexion yellow. Chilly, aching sensations creep down your backbone. You feel weak and worthless.

ROBERTS' CHILL TONIC will stop the trouble now. It enters the blood at once and drives out the yellow poison. If neglected and when Chills, Fevers, Night-Sweats and a general break-down come later on, Roberts' Tonic will cure you then—but why wait? Prevent future sickness. The manufacturers know all about this yellow poison and have perfected Roberts' Tonic to drive it out, nourish your system, restore appetite, purify the blood, prevent and cure Chills, Fevers and Malaria. It has cured thousands—it will cure you, or your money back. This is fair. Try it. Price, 25 cents.
