Important to Farmers-

In view of the fact that it is not generally understood that the Rice Crop is highly protected from foreign competition by an import duty and that the crops raised in this United States have every year fallen much below the home consumption the CAROLINA RICE MILLS of Goldsboro, N. C., in order to encourage the cultivation of Rice on a larger scale than has heretofore been done, is now prepared to make contracts with planters in North Carolina for their crops of Rice they may raise during the year 1902 on the most liberal terms.  
Parties interested, who wish to avail themselves of this offer, can communicate with us and we will take pleasure in giving full particulars. Respectfully,  
CAROLINA RICE MILLS,  
ap23 Goldsboro, N. C.  
Seed Rice will be quoted on application.

Chief Chesson has had a squad of men at work in the town ditch this week.

Mrs. W. T. Nurney who had been taken to a hospital in Baltimore for treatment, returned on Friday last and we are glad to say has fully recovered.

If there is a cross mark on the margin of your paper it means that your subscription has expired, and is an invitation for you to renew. Please attend to it at once.

We sympathize with Mr. and Mrs. T. L. Satterthwaite in the death of their oldest daughter, Mamie, who died on Sunday evening last, after a short illness, aged 12 years.

Mr. Louis P. Hornthal asks us to say to the farmers that he has a load of lime in his warehouse, and that they can get it as they need it.

We have been confined at home pretty much all the week by illness, and as it is impossible to pick up a printer here, we are compelled to get out a half size paper this week.

BOARDERS—A few gentlemen can be directed to where they can get good board as cheap as the price of provisions will admit, by applying to this office.

Mr. Jno. H. Ausbon, a former Washington county boy, after an absence of twelve years visited this his old home, this week. He is now one of the bustling merchants of Scotland Neck.

Rev. Jas. W. Rose, the new pastor of the Baptist church, has been conducting a series of meetings this week. He is a pleasing and forcible speaker, and much interest is being manifested.

We are requested to announce that on Thursday night next, May 15th, there will be an ice cream supper given at the Town Hall by the Daughters of the King. Everybody cordially invited to be present.

Rev. J. M. Latham, of Norfolk, a native Plymptonian, passed through town on Wednesday enroute for Washington to visit his sister, Mrs. R. A. Knight. He was accompanied by his wife and children.

Mr. Whit Harrison, of Battleboro, who is employed by Mr. F. M. Davenport who recently sold out here and moved to that place, was here this week. He informs us that Mr. Davenport has a beautiful plantation there and that it is in excellent condition.

There will be a Confederate Reunion at Washington on Memorial Day (May 10th) and a big free dinner. The Washington & Plymouth train will leave Plymouth on that day at 6:30 a. m. and returning will leave Washington at 6:00 p. m. All ex-Confederates will be carried free, others wishing to attend will be charged one fare for round trip.

On Saturday evening last while in Roper we visited the carriage and undertaker shops of Mr. S. J. Barco, and were agreeably surprised to see him so nicely fitted up and so busy. Mr. Barco has several men employed and is turning out some as nice work as is ever seen in this county. If you should need anything in his line give him your order. You will never regret it.

A railroad from Fairfield to Plymouth, via Creswell, would be a gold mine. Mr. Fletcher Ausbon, who has not long since made a geological survey of the country, tells us that the two points could be connected by about 30 miles of track. If our people would combine their efforts with the people of Fairfield and Creswell we think the A. C. L. could be induced to build this road.

Littleton is the seat of the deservedly popular and flourishing Littleton Female College. President Rhodes, assisted by his wife, the right woman in the right place, and a very able corps of teachers, is bringing the college into the very front line of our Southern institutions of learning. It is a veritable hive of workers and more nearly than any institution we have ever known realizes Wesley's ideal church: "All at work all the time." And it all goes on smoothly and cheerfully under a wholesome, well regulated discipline, and the halo of our holy religion pervades every department of work.—Rev. J. B. Morton in Presbyterian Standard.

Would it be fair to refer to the doctor's fees as ill-gotten gains?

Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly."

Even a murderer may take life seriously.

Dangerous If Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yanketown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits.

Every married woman feels that she is a reformer.

Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such hold of me that I could scarcely go," writes Geo. S. Marsh, well-known attorney of Nocona, Tex. "I took quantities of pepin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble.

The man who loses his temper loses his friends.

Holds Up A Congressman.

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked, run-down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by Spruill & Bro.

A close observer—The man in the front row.

What Thin Folks Need

Is a greater power of digesting and assimilating food. For them Dr. King's New Life Pills work wonders. They tone and regulate the digestive organs, gently expel all poisons from the system, enrich the blood, improve appetite, make healthy flesh. Only 25c at Spruill & Bro's.

Looks as though the shirtwaist man would make another struggle for recognition.
