

On Kissers.

Kissing is not an unhealthy pastime if proper sanitary measures are used before and after taking. But it is a rank crime to bring girls up without proper instruction as regards kissing.

The Pastor in the Pulp has seen a good many things in his time.

A gay young imbecile of the he-flirt type was standing on the piazza of a human hostry not many months ago—he was about to depart from his lady acquaintances of a week. It was a cloudless evening in June and the scarlet West gleamed dimly—not so dimly as to hide the scene—as six young ladies passed along in line and pressed their Rose of Sharon lips to the great slit in the face of the brainless, soulless and characteristic trifier. By the eternal gods, what a scene!

A girl who willfully permits herself to be pawed over by Tom, Dick and the Devil, who joins in such public kissing bees, has so debauched her body and so debased herself in mind that she is forever unfitted for noble wifehood, and no man of refinement would marry her.

She is damaged goods the moment she submits to the kisses of a man who does not make her mistress of his heart.

Kissing ain't a josh.

Kissing means business.

When a man finds a girl that has submitted to such job-lot osculation, he should paste a crossbone label over her slobber trap and go on.—The Knocker, A Journal for Cranks.

The Pride of Heroes.

Many soldiers in the last war wrote to say that for scratches, Bruises, Cuts, Wounds, Corns, Sore Feet and Stiff Joints, Buckle's Arnica Salve is the best in the world. Same for Burns, Scalds, Boils, Ulcers, Skin Eruptions and Piles. It cures or no pay. Only 25c at Spruill & Bro's, store.

Don't tell your troubles. It doesn't do any good, and besides it takes up the other fellow's time who wants to tell you his.

WOMAN'S RELIEF

A really healthy woman has little pain or discomfort at the menstrual period. No woman needs to have any. Wine of Cardui will quickly relieve those smarting menstrual pains and the dragging head, back and side aches caused by falling of the womb and irregular menses.

WINE OF CARDUI

has brought permanent relief to 1,000,000 women who suffered every month. It makes the menstrual organs strong and healthy. It is the provision made by Nature to give women relief from the terrible aches and pains which blight so many homes.

Gaithersburg, Md., Oct. 14, 1906. I have been very sick for some time. I was taken with a severe pain in my side and could not get any relief until I tried a bottle of Wine of Cardui. Before I had taken all of it I was relieved. I feel it my duty to say that you have a wonderful medicine.

WOMAN—A STUDY.

Woman, woman, winsome woman!
Tell us are you saint or human,
Or a toy Beelzebub has sent us from afar?
We've thought about you, sighed about you,
Fought about you, cried about you,
Stayed up nights and lied about you,
Puzzle that you are,

Just when we would dream we've got you
Figured out, as like as not you
Leave us topsy turvey, guessing what to
say or do;
Now we hate you, then caress you,
Now berate you, then we bless you,
But our lives are stale unless you keep us
in a stew.

Some there are who really dread you
Some who long to woo and wed you.
Some would banish you forever to a distant
land;
Artists paint you, poets verse you,
Bishops saint you, cynics curse you,
But "for better or for worse" you are
still in demand.

There are times you sadly vex us,
Puzzle, plague us and perplex us,
Till we wish you were in—Texas, very far
away.

But, although we sadly doubt you,
You've such winsome ways about you,
We can never do without you, so we
Let you stay.
