Loss of Flesh

When you can't eat breakfast, take Scott's Emulsion. When you can't eat bread and butter, take Scott's Emulsion. When you have been living on a milk diet and want something a little more nourishing, take Scott's Emulsion.

To get fat you must eat fat. Scott's Emulsion is a great fattener, a great strength giver.

Those who have lost flesh want to increase all body tissues, not only fat. Scott's Emulsion increases them all, bone, flesh, blood and nerve.

For invalids, for convalescents, for consumptives, for weak children, for all who need flesh, Scott's Emulsion is a rich and comfortable food, and a natural tonic.

Scott's Emulsion for bone, flesh, blood and nerve.

We will send you a free sample. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

BEACON FLASHES.

We have had some nipping weather this week sure.

Read W. C. Ayers' Big Reduction Sale ad, this week.

Mr. E. D. Carstarphen was at home a short time this week.

Oysters, Fruits and Family Groceries, always fresh, at Hayes & Ausbon's grocery store. Give them a trial.

Mrs. W. A. Forbes and children, of New Bern, are visiting relatives here.

County Treasurer M. M. Alexander, of Creswell, was in town on Monday.

Dr. W. H. Hardison, of Creswell, called and handed us a dollar on Monday. Thanks.

We still have a lengthy delinquent list. If you are on it will you not please make it one less?

Remember, a cross mark on the margin of your paper means that your subscription has expired.

We hope to be in Roper one day next week. If you owe us try to give us a lift when we come.

Have you seen that frame of beautiful pictures in the postoffice? They were taken by Baker, the photographer, of Edenton. If you want a nice picture it will pay you to visit his studio. Don't have half-handed work done.

Glad to welcome our Roper correspondent back again. Thought we had lost him. Now will not some one at the other postoffice write?

Sheriff Jackson, assignee of Mr. W. R. White, sold the entire stock at public sale on Tuesday, it being purchased by Mrs. White, who will continue the business.

Why so many of our boys and girls are sent away to attend school while there is equally as good, if not a better school here than the ones some are sent to, is a question we would like to hear answered.

Miss Berta Thurmond the efficient and artistic trimmer for Mrs. W. B. Ward & Co., left Plymouth last Monday morning for her home in Harrisonburg, Va. Miss Thurmond is an attractive and accomplished young lady, and by her kind manner has won many friends here, who will be delighted to know that she will return in the spring as trimmer for Mrs. Ward.

We received calls on Monday from Messrs. Haywood Craddock, of Creswell, and G. W. Biggs, of Mackey's Ferry. They called to have their names entered on our subscription list. Let others do likewise.

Mr. G. W. Reel and family, formerly of this place but now of Bayboro, accompanied by his niece, Miss Abbi Miller, are visiting relatives and friends here. We acknowledge a call from Mr. Reel on Tuesday.

We have recently sent out quite a lot of bills, but the returns are coming in slowly. Friends, please let us have it together with another dollar for another year. We trusted to your honesty, can't you return the compliment?

Many readers of THE BEACON will be interested to learn that Mr. Louis P. Hornthal has concluded to add a Millinery Department to his already large Department store. This addition will make Mr. Hornthal's store one of the foremost in this section of country. Mr. Hornthal is a progressive, up-to-date merchant, and delights in keeping abreast of the times, and his patrons can be assured they will always find the best, and most fashionable Millinery found in the northern markets.

The Plymouth Dramatic Co., will present at Roper, next Thursday night, Jan. 22, Mr. Ernest Christian in "Lony, the Convict," benefit of Junior Order of American Mechanics. Attend and help a good cause. Tickets at Co. store.

Mr. O. R. Leggett, the jeweler, requests us to announce that as the W. R. White store is again open he has moved back into his old quarters, where he will be glad to have you call on him when in need of repair work, a new watch, or jewelry of any description.

It seems the transportation lines are against us. For the second time this year our paper has failed to reach us in time. This is no fault of ours, for we have a standing order and the paper is always shipped in time to reach us on Monday of the week of issue. In fact we have been lading showing it was shipped last week.

The peculiar cough which indicates croup, is usually well known to the mothers of croupy children. No time should be lost in the treatment of it, and for this purpose no medicine has received more universal approval than Chamberlain's Cough Remedy. Do not waste valuable time in experimenting with untried remedies, no matter how highly they may be recommended, but give this medicine as directed and all symptoms of croup will quickly disappear. For sale by all druggists.

WANTED—500 acres of Pine Umbered land, by The W. Fletcher Ausbon, Insurance and Real Estate Agency, Plymouth, N. C.

Newspaper Advertising Is No Expense.

It is a fact, admitted by all who have used it intelligently and persistently, and denied by none who have watched its results, that newspaper advertising is no expense to the merchant. He may pay out \$100 a year or more for it, but if he watches its workings he never regrets it.

It pays its own expenses, and helps to pay others, even if never changed, and when attended to properly there is no estimating the amount of business it either holds or makes for the one using it.

Then newspaper advertising builds up a town. Let a dozen live merchants advertise in a business-like manner, and many people who now purchase where most convenient, will have their curiosity aroused by reading and hearing about what the merchants of Plymouth were offering, and would come here to trade, which means that the hotel, school, banking, mercantile, and all other branches of business would be greatly benefitted; the benefit even reaching those who are too grasping to make trade for themselves.

No; newspaper advertising costs you nothing. Without it you will sell hundreds of dollars worth less. With it you will sell hundreds of dollars worth more. It pays its own expenses, and helps you to pay yours.

Don't Worry.

This is easier said than done, yet it may be of some help to consider the matter. If the cause is something over which you have no control it is obvious that worrying will not help the matter in the least. On the other hand, if within your control you have only to act. When you have a cold and fear an attack of pneumonia, buy a bottle of Chamberlain's Cough Remedy and use it judiciously and all cause for worry as to the outcome will quickly disappear. There is no danger of pneumonia when it is used. For sale by all druggists.

A Cross Hotel.

A new and prosperous hotel is now open near Cool Spring, at the foot of Bateman Avenue. It has already received two boarders, the two R. F. D's., or No. 1 and No. 2. We are quite sure they will receive good fare, for it is a swell house, though the proprietor is Cross.

Mrs. Johanna Soderholm, of Ferguson Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by all druggists.

For what special purpose was Eve created? For Adam's Express Company.

Nearly Forfeits His Life.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. H. Omer, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c at Sprull & Bro's store.

When is a hen like a certain breed of dogs? When she's a setter.

Mysterious Circumstances.

One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's new Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c, at Sprull & Bro's.
