A. AND M. COLLEGE RECORD.

Farming, Country Life and Rural Education are the leading ideas of the "A. and M. College Record" for December. The full table of contents is as follows:

1. Does Farming Pay in North Carolina?
2. How to Build up a Worn-out Farm.
3. How to Build up Worn-out Clay Lands in Middle North Carolina.
4. Extensive Farming in Eastern North Carolina.
5. Truck Farming in Eastern North Carolina.
6. The present and Future of Strawberry growing in North Carolina.
7. The State Farmers' Convention.
8. The Enrichment of Country Life.
9. Rural Education.

The "Record" maintains that farming pays in North Carolina and that it offers to the right sort of young men as good opportunities for wealth as any other business or profession and far better opportunities for health and happiness.

Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidneys and Bowels, stimulate the Liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by Spruill & Bro.

MORPHINE.

Can Morphine and Other Drug Habits Be Cured?

It has been long contended by physicians that there is no cure for the drug habit. This is true so far as the rank and file of the medical profession are concerned. The reason, therefore, is that they are ignorant of the full scope and nature of the disease; but fortunately for the cause of suffering humanity we have demonstrated that the morphine or other drug habits can be cured and guarantee an absolute, permanent and painless cure to those addicted to the use of drugs if they will take our treatment and follow our instructions.

Each case submitted to us receives individual attention and treatment from an experienced nerve specialist. We do not detain you from business. We give immediate relief. Appetite for drugs is destroyed and appetite for food is restored. Write to-day for our free booklet and free trial treatment. All correspondence strictly confidential in plain envelopes. Address

THE WINTER FASHIONS.

Drooping shoulders, the full round skirt, voluminous sleeves and the old-fashioned pelerine are some of the picturesque modes of the moment, and the shops abound in exquisite materials that have been manufactured especially for developing them. For dressy gowns, the materials preferred are soft and adapted to the full, straight skirts. The new chiffon-velours is the material above all others for these artistic creations. There is an extensive variety of novelties in imported fabrics, among them zibelines and camel's-hair weaves, showing mixtures of two or three contrasting colors, with a heavy mohair natté overlaid as the distinguishing feature of some of the samples. These goods are fashioned into the most modish coat-and-skirt suits for street wear.

The reign of the shirt waist is supreme, and there are all kinds of these attractive and practical garments, but the smartest girls wear very simple waists, with no trimming save the conventional embroidery.

Embroideries of all kinds continue in vogue, and gowns, bodices, wrap and, indeed, everything else bear this stamp of good style. The old-fashioned eyelet embroidery forms a smart trimming for the simple little cloth blouse in some delicate tint worn over a silk slip of contrasting color or white.

This is undeniably a button season, and buttons big, small and medium-sized are extensively used as trimming as well as for their original purpose of fastening garments.

There seems to be no reaction as yet from pendent trimmings, and there are braids, motifs and galons innumerable. Fringes of all sorts are shown, though those of jet and paillettes are perhaps better accepted than any other, and they are charmingly used on black and white frocks of sheer fabrics.—From The Delinicator for January.

Coughs, Colds and Constipation.

RECTOR OF ST. LUKE'S,

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take my duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without hesitation, being thankful to have found such a Godsent remedy.

Respectfully yours,
E. A. LANGFELDT, M. A.,
Rector of St. Luke's Church.

HOW WE DO IT.

To every person, no matter where they live, who pays us One Dollar on Subscription—either old or new patrons are open to this—we will give a numbered ticket. These tickets have been numbered from 001 to 500, inclusive—three figures on each.

One blank ticket was sent to Hon. John H. Small, at Washington, D. C., who has placed thereon some one number of 500 or less, sealed it in three envelopes and sent it to Mr. Clarence Latham, Cashier of the Bank of Plymouth, who has locked it up (with the seals unbroken) so that no one except Mr. Small, who will not divulge it, can know what the number is.

When the 500 tickets have been disposed of Mr. Latham, in the presence of two other responsible men, will break the seals and acquaint us of the number. We will then publish the same and the one holding its duplicate will receive this beautiful and useful piece of furniture, absolutely FREE!

This is no cheap, bargain-house machine, but is made by a reliable firm who have been making them for thirty years; is well made and has a full set of attachments, and is listed at \$60.00.

Get up a club of five, and in addition to giving a ticket to each of them and sending you the paper, we will give you two tickets for your trouble.

Some one will surely get this handsome machine. Why should it not be you?
