Croup is quickly relieved, and Whooping Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough syrup is different from all others because it acts on the bowels. You cannot cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping-Cough, etc. No opiates. sold by Plymouth store Co my 30

**Men Past Sixty in Danger.**

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of the prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr Rodney Burnett, Book Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." sold by J O Everett and Roper store Co \*

**A Shrewd Wife.**

A young man started in the livery business a few weeks ago, and the first thing he did was to have a sign painted representing himself holding a mule by the bridle. He was particularly proud of this stroke of business enterprise, and asked of his wife "Is that not a good likeness of me?" "Yes," she replied, "it is a perfect picture of you; but who is the fellow holding the bridle?"

**Frightful Suffering Relieved.**

Suffering frightfully from the vilest poisons of undigested food, C. G. Grayson, Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at Spruill & Bro's guaranteed \*

You will see from the pedigree, there is no better bred Stallion in the country than this horse; he is by a speed producing Sire out of a speed producing Dam, and combines the blood of MAMBRINO CHIEF and HAMBLETONIAN 10, the two acknowledged fountain heads from which all the great Champion trotters have come, and is closely related to four of the fastest trotters in the world. The Grand-sire of his Dam is out of the Dam of **Maud S**, 2:08 3-4, who held the champion record to high-wheeled sulky nearly 20 years; his Great-grand-sire is also the Great-grand-sire of **Alex**, who held the champion record for mares, 2:03 1-4, for more than 10 years; the Sire of **Tar Heel's** Dam is a half brother to the Sire of **John A. McKerron**, who holds the champion wagon record of the world; and the Grand-Sire of the Sire of **Tar Heel's** Dam is a half brother to the Grand-sire of **Cresceu** 1:59 1-2, who was a World's Champion for a good many years.

This horse is a beautiful chestnut, 16 hands high, and weighs 1,100 pounds; he is kind and gentle, perfect in form and a picture to look at. Farmers and others desiring to raise good horses should breed their mares to this horse. Western farmers raise a colt every year from their mares while they are at work, and supplies the Southern farmer with his horses. This should not be. Those intesied should write, or visit my breeding and training stables.

Stud fee \$20.00 the season. Mares from a distance will be cared for at a moderate charge.

"GETS AT THE SOURCE OF THE TROUBLE"  
"It cures the Rheumatism, Sept. 8, 1904, my daughter, Miss Kate Gibson, had a terrible case of Rheumatism that all the medicines and many doctors had tried in vain to cure. She could not walk, sleep, lie down, and would cry and scream from pain. From the first she began to use Rheumacide she improved, and is now absolutely cured of this terrible disease. For Rheumatism, you need only a specific, and I cannot praise it too highly. My wife is so glad over the cure that she wishes to endorse what I have written, so she adds her name—'J. F. Gibson.' This is only one of thousands of marvelous cures wrought by this wonderful discovery that promptly **CLEAR'S THE BLOOD, IMPROVES THE DIGESTION and BUILDS UP THE ENTIRE SYSTEM.**
