IT'S A QUESTION

which of the two individuals above is the happier. If it's an International Suit

the young chap is wearing then it becomes the easiest thing in the world for him to "press his suit" to a successful issue.

**The International Tailoring Co.**  
—OF—  
New York Chicago San Francisco  
THE LARGEST AND MOST SUCCESSFUL CONCERN  
OF ITS KIND IN THE WORLD

has a reputation for fine clothes making, strictly to order only, that is the envy of all merchant tailors throughout the country.

It's a pleasure to represent so popular a firm; and after you've put their clothing to the test, you'll endorse every good thing we can say about them, and more besides.

Call and have your measure taken, and we'll show you what perfect fitting clothes mean from an "International" standpoint.
