GOOD NEWS FOR PLYMOUTH.

Science at Last Discovers a Real Cure For Rheumatism.

After years of experiment a new scientific remedy has been found that not only relieves, but absolutely cures Rheumatism and kindred diseases, to stay cured. Rheumatism is caused by an excess of poisonous acids in the blood. The new discovery RHEUMACIDE, though purely vegetable, and acting through nature's channels, neutralizes these acids and sweeps all poisons and harmful germs out of the blood. At the same time it tones up the stomach and regulates the liver and kidneys.

RHEUMACIDE therefore, cures the disease permanently, because it removes the cause. It has cured hundreds of cases after the most noted doctors and hospitals have failed. RHEUMACIDE cured James Wilkes of Dillon, S. C., after he had been held in bed by rheumatism for three years and his feet were drawn up almost to his back. This is only one of the many marvelous cures RHEUMACIDE has already performed. RHEUMACIDE is curing many cases of Rheumatism, sciatica, lumbago, gout, kidney trouble, indigestion and constipation, right in this community today.

Because it has cured so many others we believe it will cure you. All the leading druggists in this place sell and recommend RHEUMACIDE.

Dear Sirs: I was laid up last November with Rheumatism in my feet and ankles, but after taking four bottles of Rheumacide I have not been bothered since. I tried every old kind of liniment and was under two doctors, and all I tried had the same result, until I got Rheumacide. Now, I am pleased to say, it has not been necessary for me to take any medicine for Rheumatism since February, 1905. Everybody that I recommended it to has had the same results.
Yours very truly,
