

We waited patiently last week, hoping to give our readers the result of the State Convention, but after waiting until Saturday, we had to go to press without it, but to-day we give our readers a full and complete report of that great Convention, with pictures of the nominee for Governor and the two great Democrats who opposed him, Craig and Horne, who with their friends are now Kitchen Democrats.

During the struggle last week in Charlotte, where the hottest contested campaign was ever waged in a Democratic State Convention, where men declared that their choice must win, there ever prevailed the friendliest feelings between the contesting parties.

The fight is on in our county between good true Democrats for the various county offices, the campaign is getting hot and at 3 o'clock to-morrow the battle of ballots will be fought in the various primaries.

While all are good men and will make good officials, they cannot all be nominated, and we do hope that the people will attend the primaries and there vote, without prejudice or malice, for the men of their choice, this done, let the result be satisfactory to all. Let the defeated aspirants and their friends enter heartily into the coming campaign to elect the choice of the people and roll up a glorious victory for Democracy at the polls.

Just here let us urge every voter to go to the primary (we mean every Democratic voter, of course none but democrats should expect, or be allowed to vote in a Democratic primary), and there settle all differences, or if you do not have interest enough in the matter to go to the primaries do not say that the wrong men have been nominated and try to create discord in the party after the Convention.

The Beacon's ticket will be the nominee's of the Convention, from President down to Township Constable. Let it be yours. We do not expect the Convention to nominate our personal choice, but the people's choice.

The Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing others promise but fail to perform," says Mrs. E. K. Pierson, of Auburn Centre, Pa. "It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold by Spruill & Bro., 50c. and \$1.00. Trial bottle free.

DEMOCRATIC CONGRESSIONAL CONVENTION.

A. L. PENDLETON, Ch'm.,
Dem. Con. Ex. Com.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to Kidney and Bladder Pills, P. E. Davenport.

ANNOUNCEMENT.

I wish to announce that I am a candidate for re-nomination for the office of County Treasurer. My record as an officer in the past speaks for itself, and if nominated and elected to this position of trust, I promise the same faithfulness in the future that I have given in the past.

Thanking my friends for their past loyalty, and asking that they attend the primaries and the convention, I am,
Respectfully,
CLARENCE LATHAM.

There is one preparation known to-day that will promptly help the stomach. Kodol is Kodol. Kodol digests all classes of food and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach disorders or stomach trouble. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by P. E. Davenport.

A CARD.

I will say through the columns of this paper that I will be a candidate for re-nomination this year, and thanking my friends and constituents for the past honors and favors conferred upon me, and assuring them that I shall try to serve them with satisfaction, if elected, I ask that they nominate me again in the coming convention.

Respectfully,
F. R. JOHNSTON.

A CARD.

As the time is drawing near for the Democratic County Convention, and the people are talking and thinking of candidates for the various offices, and should the convention see proper to more equally distribute the offices of the county and give our part of the county the Treasurer's office, I would be glad to have my name considered. I would like to be a candidate before the convention for Treasurer of the county. I have been a life-long Democrat, voted a straight ticket and worked for the good of the party.

Waiting the approval of the convention, I am,
Sincerely,
H. A. LITCHFIELD.
