Christmas Savings Club Suggestions From Other Cities.

CHRISTMAS SAVINGS CLUBS—such as we are conducting, are very popular in many other cities and towns in this and other States.

IN SEVERAL CITIES

100 or more members of a congregation have joined and will use their combined savings as a fund next Christmas towards paying church debts.

IN SEVERAL TOWNS

The members of Sunday School classes have joined, and in each instance will club together and use the money for the purpose of buying the teacher a present

IN OTHER TOWNS

Societies, Churches, Sunday Schools, Charity and other organizations have joined to save money for a specific purpose.

THE plan is an excellent one, and can be applied to a number of commendable enterprises. The small amounts payable weekly into the Club can be spared by each person without inconvenience, and when a number of persons associate together for a special purpose the combined results of their efforts will be a large sum which may be applied as a Christmas offering or used in other ways for a good cause.
