Flood Victims Are Found.

Asheville.-William M. Hudgins of this city, arrived here from Chimney Rock with a statement to the effect that the partly decomposed bodies of an old man and four children, the latter ranging in age from four to ten years, were found ten miles beyond Chimney Rock in the debris of a house that had been washed away from a point unknown in the floods of 12 days ago. Doctor Hudgins stated that the bodies were evidently those of native mountaineers, judging from their clothing. Nobody could identify the bodies and they were buried in one grave.

Fifteen freight cars went into Chicod Creek last week when a bridge on the Norfolk-Southern railway gave way. High waters had undermined the structure.

The fine concrete and stone dam of the Milburnie Fishing Club, located on the Neuse river near Raleigh, broke away last week and swept away probably millions of fine fish that have been accumulating for several years and had come to afford the finest sort of sport for the club members.

High waters in the eastern part of the state have greatly damaged crops. The excessive heavy rains that the Scotland county farmers have witnessed for the last three or four weeks, is a ruination to the Scotland count

The receiving building at the State Central Hospital at Raleigh is about half completed. It is expected that it will be finished by the first of the year.

Hundreds of workmen are coming into Asheville every day to repair the damage done by the flood to the railroads, the telegraph and telephone wires and the buildings and streets.

#### LESSON FOR AUG. 6

QREATEST THING IN THE WORLD.

(Temperance Lesson.)

True ministry is in the exercise of spiritual gifts (Eph. 4:7-15). Every believer is a member of the body of Christ, and therefore has a definite ministry. Though the gifts are diverse, all are equally honorable because they are bestowed, administered and energized by the Holy Spirit. Love alone gives value to the ministry of any gift.

I. Fill the Gift With Love (vv. 1-3). Just as the body is dead unless a living soul abides in and inspires it, so is the gift unless filled with the spirit of love. This is the "more excellent way" to which Paul makes reference at the conclusion of Chapter 12. In praising love Paul does not fall into the error of criticizing others, not even his followers, and suggests that even he may be wanting in this trait. The Corinthians were eager to attain excellence and to be prominent in wisdom and philosophy; to understand the world in which they lived; to be scholars and teachers and improve and correct society. Paul therefore shows how vain are such things unless filled with the motive of love. (1) The gift of tongues. The saints in the church at Corinth seem to have been particularly gifted in this direction, and to have been proud of it, (Ch. 14: 2-23) and eager to outstrip the others. Paul tells them that such boasting amounts to little. The grace of love is a far more excellent way. (2) The gift of prophecy. The New Testament prophet was a forth-teller, not a teller of the future. To be a forth-teller was a thing to be coveted and admired, but not unless accompanied by love. (3) Miracle working. A man can have this in the most powerful form con- of fine pongee with exquisite embroid- ered under a short belt. ceivable, and yet if he has not love, ery. To lose one's temper is a dangerous evil. The evil is not so much in the temper but in our failure to control it. (9) Thinketh no evil. Puts the best construction upon the acts of others, making all possible allowances. (10) Rejoiceth not in iniquity. (11) Rejoiceth in the truth, that is, is in sympathy with all that is true. (12) Beareth all things; endureth hardships and trials for the working out of the kingdom. (13) Believeth all things; not credulous but putting the Statesville .- At a meeting of the best construction upon the words of outcome of every good cause. (14) Endureth all things; it goes on believof the marks of love is enough to

make us all pause and meditate. III. The Permanence of Life (vv. 8-13). The word "falleth" here denotes falling in the sense of cessation, and love is contrasted with three typical but passing forms of Christian expression. (1) "Prophecies;" not the things prophesied but the gift or act of prophesying (v. 3) which at best can only partially express God's word. Prophecy will pass away in the fuller vision and wider knowledge of God 'Who is love." (2) "Tongues." The time will come when they will not be needed as a sign nor to enable us to express our varied emotions. The divinely inspired prophecies tell but a part of what is yet to be. (3) "Knowledge." It shall be done away in the fuller knowledge of the eternal world as the light of the stars vanish before the rising sun. When that which is perfect is come these lights will be seen to be only like the separate stones of a quarry which can only be fully understood when the whole building stands before us in its completion. Faul gives an illustration of this truth from the familiar case of the growing child (vv. 11, 12). In conclusion (v. 13) faith, hope, love abideth, three graces, imperishable and immortal. "Hope is a fountain; faith draws the water and drinks; love distributes the water to others," Dr. J. H. Jowett. But is greater in its nature. It brings us closer to God, making us partakers of However, wavy and curly, straggling his nature. It is the one thing without which faith and hope are of little | the face are not to be tolerated.
