

Huduell-Swain.

Mr. H. W. Huduell of Aurora and Miss Josephie Swain were married at the home of the bride near Plymouth, on August 15th. The occasion was unique in that individuals of four generations of the bride's family witnessed the ceremony, and that Rev. J. B. Swain of Monessen, Pa., brother of the bride, officiated. The bride wore a going-away suit of blue, with gloves, shoes and hat to match. They left on the noon train for Washington, D. C., and from there will go to Niagara Falls and Dominion of Canada. They will be at home at Royal, N. C., after Aug. 25th.

Mrs. Eliza Bateman Dead.

POWER must be reckoned in reference to the weight involved. This is the big underlying truth that is often overlooked in careless statements about horsepower.

We repeat that Maxwell cars have greater horsepower, per pound of weight, than any car built.

This has been proved within the last six months by four competitive tests made in the two leading scientific schools of the United States.

The point for you to remember is this:

Maxwell cars will take you anywhere that any car will take you and they'll take you as fast as you'll dare to travel.

We are ready to prove any and all of our statements.
