For Old and Young The sensible thing for all parents to do is to join our Christmas Banking Club and also put every member of their family into it. This will teach them the value of money and how to bank and HAVE MONEY. Maybe this little start you give them now may some day set them up in business or buy them a home.

How often have you wished that your parents had taught you early the value of banking your money. You would be well-off to day. Don't make the same mistake with YOUR children

The Reasons For The Club

To provide a way for those of moderate and even small means to bank their money.
To teach "the saving habit" to those who have never learned it.
It makes your pennies, nickels and dimes, often foolishly spent grow into dollars; dollars grow into a fortune. Start your fortune today.
To give you a bank connection and show you how our bank can be of service to you.

We pay 4 per cent. interest in our Christmas Banking Club.
