LESSON FOR MARCH 25

JESUS THE WAY, TRUTH AND LIFE.

(By E. O. SELLERS, Acting Director of Sunday School Course of Moody Bible

(Review.)

SCRIPTURE LESSON-Read John 14: GOLDEN TEXT-Jesus saith unto him, I am the way, the truth, and the life, no man cometh unto the father, but by me.

The purpose of John's gospel is revealed in John 20:31. It was to prove that Jesus is the Christ, the Son of God, and to prove it in such a way that men might believe it in their hearts, and thus obtain, through that belief, eternal life in his name, Therefore the best method of review for the lessons of the past quarter would be to go over the lessons one by one, and find out how it is that this great truth, which brings life to men, is illustrated in each of the several lessons. The object of such a review should be to make Jesus as real to us as if we were with him and his disciples, and could realize that the Word is now dwelling among us, full of grace and truth, giving daily of his fulness and "grace for grace," (Ch. 1:14-16). Jesus is "the way," the way to heaven, the way to all that is highest and best on earth, the way of life, the way to the Father, the goal of all human aspirations, the way out of all human darkness and sin, the way to holiness and to God. Jesus is also the truth, the revealed truth about God. He revealed the forgiveness of God for the sins of men, the right way of living. Jesus is the life, the source of life, the life itself, the true life here on earth, and the eternal life which is to abide forever. Thus our entire review centers about Jesus Christ. It would be good to have a map chiefly

to use in this review. Lesson I. Jesus, the Life and Light of Men. This is the central truth of the gospel. Note the pre-existence of Jesus Christ as the eternal Word, "In the beginning with God," Then again we see it as plainly showing forth or

- Lesson III. The First Disciples of prophets did write, and revealed him unto Nathaniel, who discovered in Jesus the Son of God and the King of Israel. Relate how Jesus found these disciples, their names and their characteristics, and why each one was especially fitted for his particular work.

Lesson IV. His Father's House. Jesus, manifesting himself as the Son of God, the Father, was the Ruler of God's house, and drove from it those who defiled it by making that house a house of merchandise.

Lesson V. The Savior of the World. Jesus, as the only begotten Son of God, can give eternal life to those who believe on him. Describe the character of Nicodemus, what it means to be born again, and what is meant by being born of water and of the spirit.

Lesson VI. The Woman of Samaria. Jesus de lared himself to this woman as the Christ, and also as the giver of eternal life; therefore he was God. Referring to the last lesson, emphasize what Jesus meant by his reference to Moses and the brazen serpent, and bring out the fact that the water of which he speaks is the gift of everlasting life.

Lesson VII. The Nobleman's Son. Jesus made his glory to be seen a second time in Cana of Galilee by healing sickness although not present at the bedside of the sick one. Healing and faith are co-partners.

Lesson VIII. The Pool of Bethesda. Again Jesus manifests his power by healing by his bare word the man who had been infirm thirty and eight years, and who was utterly helpless and hopeless. Bring out how the man showed his faith. Explain why Jesus should say to him: "Sin no more lest a worse thing befall thee."

Lesson IX. Five Thousand Fed. Divine power multiplying the loaves and fishes, and divine prudence in assemb-Hing the fragments reveals the unquestionable, creative act of the power of Jesus Christ as perhaps none other of his miracles. Emphasize the part which the boy played in co-operating with Christ.

Lesson X. The Bread of Life. Jesus is the Bread of Life as well as the giver of everlasting life. He is the Bread of Life which cometh down from heaven, and the one going to whom we shall never hunger nor thirst.

Lesson XI. Jesus Saves From Sin. Jesus, the Light of the World, has power to set men free from sin, and "whom the Son shall make free is free indeed." In this lesson we have the slavery of sin and the freedom of believ-

True faith is built upon facts, and those who accept and believe on these facts have "everlasting life."

Listening to God Daily

TEXT-O earth, earth, earth, hear the

For some time the Moody Bible institute has been urged, and by one prominent busi-

ness man especially, to add to its activities the work of promot-Ing dally Bible reading. There are several organizations which are already doing excellent work along this line, but most of them reach only a limited number of people, owing to the fact that it is necessary to subscribe to a maga-

zine in order to secure the comments for the lesson of the day. For this reason, and for the further reason that in spite of all that is being done, there yet remains a large number of professing Christians who are doing no systematic reading of the Bible, and millions of others who almost ignore the Book, the institute has felt led to open up a campaign for the promotion of daily Bible reading, and we invite the renders of this column to join with us in this effort and to share in its benefits.

How to induce them to do what they already admit is their duty, is the problem before us, as it is before every pastor and church leader. To scold them is worse than useless.

Questions to Consider.

Question-Can you give any reason why 20,000,000 church members, with opportunity from week to week to listen to sermons and admonitions from nearly 200,000 pastors, do not more closely follow Jesus and more fully represent him to and in the world?

Answer-Yes. The words of the preacher fall on hearts full of the cares and pleasures of this life, and in soil unprepared by the indwelling of the Spirit and the water of the Word.

Question - Without increasing churches or pastors, how could their efficiency be multiplied one hundred

Answer-By a proper preparation of the heart to hear the messages proclaimed by the ministers of God. Question-How can this preparation

mighty famine of the Word of God; and in all civilized countries .- Adv. and we believe that a wise and persistent campaign to promote daily Bible reading is greatly needed. By a campaign such as you and we can carry on, together with multitudes of laymen who will gladly co-operate, and scores of religious papers which we hope to enlist in the same work, believe that thousands of church members can be induced to read the Bible more regularly than they are now do-

We know there is power in the Word, almighty power, power sufflcient for every need. And we belleve that with your co-operation we can let loose some of that power, and make these columns a blessing to multitudes of hungry hearts and homes.

Now, will you join hands with us in this great campaign? Will you preach on the theme of daily Bible reading, and stir up your people on the subject? Will you tell us of any plans which you have found helpful in arousing an interest in the Bible? And will you pray for us, as we do daily for you?

To Lay Workers.

You too can help us by calling the attention of your paster to this colgian, by asking him to preach on the subject of daily Bible reading, and by sending us any helpful plans or illustrations which bear upon this subject, Above all you can pray that God will give us wisdom and grace sufficient to carry this great campaign to a successful issue. Will you do it?

To all Readers.

Next month we purpose to describe a plan by which one pastor was able to interest his people, young and old, in Bible reading, in an unusual way, and by which his own ministry was completely transformed, and his usefulness was greatly increased. It is n plan which we believe all pastors will find easy to work, though not without work, and unspeakably helpful to themselves. Watch for it next month.

Died of Premature Oid Age!

(BY V. M. PIERCE, M. D.) How many times we hear of comparatively young persons passing away when they should have lived to be 70 or 80 years of age. This fatal work is usually attributed to the kidneys, as, when the kidneys degenerate, it causes autointoxication. The more injurious the poisons passing thru the kidneys, the quicker will those noble organs be degenerated, and the sooner they decay.
