

CALOMEL IS MERCURY, IT SICKENS! STOP USING SALIVATING DRUG

Don't Lose a Day's Work! If Your Liver Is Sluggish or Bowels Constipated Take "Dodson's Liver Tone."—It's Fine!

You're bilious! Your liver is sluggish! You feel lazy, dizzy and all knocked out. Your head is dull, your tongue is coated; breath bad; stomach sour and bowels constipated. But don't take salivating calomel. It makes you sick, you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone. Your druggist or dealer sells you a 50-cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your

sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular. You will feel like working; you'll be cheerful; full of vigor and ambition.

Dodson's Liver Tone is entirely vegetable, therefore harmless and cannot salivate. Give it to your children! Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.—Adv.

Futile Strategy.

Bridget had proved to be all that a servant should be in regard to her duties, but, unfortunately, her energies never seemed to extend to keeping her own face clean.

Her mistress desired to tell her to wash her smutty countenance, but, not wanting to offend such a treasure, she restored to strategy.

"Do you know, Bridget," she remarked in a confidential manner, "if you wash your face in hot, soapy water it will make you beautiful?"

"Sure, an' it's a wonder ye never thrilt it yerself, ma'am," was Bridget's surprising answer.

YES! MAGICALLY! CORN LIFT OUT WITH FINGERS

You say to the drug store man, "Give me a small bottle of freezone." This will cost very little but will positively remove every hard or soft corn or callus from one's feet.

A few drops of this new ether compound applied directly upon a tender, aching corn relieves the soreness instantly, and soon the entire corn or callus, root and all, dries up and can be lifted off with the fingers.

This new way to rid one's feet of corns was introduced by a Cincinnati man, who says that freezone dries in a moment, and simply shrivels up the corn or callus without irritating the surrounding skin.

If your druggist hasn't any freezone tell him to order a small bottle from his wholesale drug house for you.—adv.

Healthy Skin Depends On Kidneys

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c. package of Anuric (double or triple strength), the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. You will find Anuric more active than lithia.

What Well Dressed Women Will Wear

Classy Suit of French Serge.

The prophet who circulated the report that suits would not be in demand this spring is without honor in his own country or anywhere else. Either nobody paid him any attention or else each woman decided to act independently in this matter and to have a new spring suit whether anybody else wore one or not. A whole regiment of prophets might shout in purest French, that suits are not to be worn, without influencing the loyalty of American women to the "tailor-made." Intuition convinces her that it suits her type and it is always the mainstay of her wardrobe.

One of the new serge models is shown here and its fine lines and "class" flash themselves into the mind at a glance. The jacket is cut to the most popular length, is belted at the back and front and smartly finished with fancy buttons. The collar may

be buttoned close to the neck, but is shown open, with adjustable over-collar in white. An attractive feature of this coat appears in the pockets which are made with extension flaps. The sleeves flare at the cuffs, where one of the novel buttons is posed. It is as important here as the dot over an "i."

The skirt is plain, gathered in full at the back and has a loose belt at the waist. It is a little longer than the skirts of the past two seasons, reaching about two inches below the tops of the shoes.

Just as pictured this suit is of French serge in navy blue and after all is said there is nothing better. But it has been developed in other colors of serge and is a success in any of them. The jacket is lined with peau-de-cygne which has become so well established that its name deserves an English translation.

Easter Hats for Little Girls.

Everyone is entitled to a new hat for Easter, even the littlest maid in the family, and no one will wear her new finery quite so joyously. She has not been neglected by the milliners, who must attend to the more serious business of seeing to it that her elders are properly habited, and it is not difficult to come to a decision in choosing a hat for her. In shapes those that resemble little bonnets have all the preference. Many of them have round crowns and narrow brims and as many more are bell-shaped, but, for the very little girl, there is no great variety in shapes.

Of the two hats shown in the picture the one at the top is designed for a child of three or more years and the lower hat for the little miss of seven at least. For the younger girl the shape is covered with silk in a light color as a foundation for the rows of fine lingerie lace plaitings that cover it. At each side near the back two flat rosettes, made of the plaited lace, are placed with the edge of one overlapping the other. A collar of grosgrain ribbon is run through the center of the ossettes and finished with bows at the oaks and front.

This is one of the pretty little hats that the home milliner can make without much risk of failure. The other is a satin-covered shape, trimmed with baby velvet ribbon in two colors. It is

not a difficult piece of work, but requires some knowledge of millinery making. Among the hats that are made at home with little trouble are those of heavy linen, decorated with embroidery. Any of the standard pattern concerns furnish patterns for them. They are always good style for summer wear.

Julia Bottomley
Pongee and Crepe.
White pongee combined with georgette crepe will make some of the loveliest summer frocks. These materials have the advantage of being durable and washable, especially if the heavy variety of georgette is bought.

The new blouses are, many of them, in this heavy crepe, one very lovely one being in the palest sand color, embroidered in blue.

Pastel Shades in Voile.
Among the daintiest dresses for wear at semitropical resorts or for summer are those made of fine cotton voile in pastel shades and in white. Tan, Copenhagen blue, gray, wistaria, beige and light rose are taking well. In straight-line styles, white with touches of hand embroidery or beading in soft colors is also selling freely.

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable luster, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any store, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine. Adv.

Ignorance Is Bliss.

A certain section foreman noticed that one of his men had rabbit meat in his pail. He questioned the man.

"Yes, me got lots rabbit," was the smiling reply.

"John," the foreman said, "you bring me rabbit tomorrow."

John promised he would, and the next day the foreman received his portion and ate it with relish. He also became curious as to where John got it.

"Say, John," he inquired, "where do you get all this rabbit?"

"Oh, that's easy," was the reply. "Rabbit him come to my house every night. Him go 'Meow, meow,' and I shoot him."—Connellsville Courier.

A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kieso Cured After Seven Months' Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my housework. I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—MRS. KARL A. KIESO, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my housework and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. JOSE CORNER, 1608 Harrison Ave., Fairmount, Cincinnati, Ohio.
