

**Why We Should Buy
Liberty Bonds**

Because this is the war for an ideal, and the true battleground is the soul of America.

Because to win we must all fight—every man, woman and child—since the boundaries of this Republic are the aspirations of its citizens, and the whole nation is contained in the heart of every American.

Because we are soldiers, one and all, and to be victorious we must give ourselves to the cause of our country which is the cause of humanity and of the future.

Because the Liberty Bond is the symbol of freedom.

Because we who stay at home may prove our patriotism, our enthusiasm, our faith in the dream of a world made free from oppression.

Because to oversubscribe this loan would be to cast a veritable shower of gold on the alters of Liberty.

And so let us begin today. Let us begin with courage, with fervor, and with the sacred joy that belongs by right to a nation of freemen.

Yes, Ma'am; and you don't have to take it for granted, either. You can prove the first by taste and the second by arithmetic. Buy a can of Luzianne. Use half the quantity you ordinarily would. If it doesn't go farther and taste better than other coffee at the price, tell the man who sold it to you and he'll give you back your money. Make no mistake, Luzianne is great coffee—exceeding great. Ask for profit-sharing catalog.
