

BEACON FLASHES.

Mr. Joe Gurganus of Newbern, was in the city on business this week.

Mr. B. S. Clark of Roper, has been in the city this week attending court.

Mr. John Paul of Swan Quarter, made us a pleasant call while in town Tuesday.

Miss Norma Chesson of Pleasant Grove, has been spending the past week here as the guest of Miss Lucy Norman.

Misses Martha Hornthal and Dorothy Willy left yesterday morning for Williamston, where they will spend a few days with friends.

Mrs. Eloise Ralph and Mrs. Roy Swain and Master Laurance returned Sunday from Berkley, Norfolk, Lambert's Point, Ocean View and other points. They reported a very pleasant and enjoyable visit.

Mr. and Mrs. A. W. Swain, and Master William and Miss Meredith, Mr. Rufus Swain and Miss Emma Swain left yesterday for Boston, Mass. They will cover the entire trip in Mr. Swain's new Overland touring car, good luck attending them.

Dr. Howard Smith, of the A. K. Hawkes Co., eye specialists, will be at Davenport's Drug Store next Wednesday and Thursday for the purpose of testing eyes and fitting glasses. Dr. Smith has made several visits here in this capacity and has given utmost satisfaction in every respect.

Col. W. F. Beasley has been in the city several days this week. Sometime ago we referred to Col. Beasley as being from Baltimore, but while he was in town this week, he gave us a good raking over the coals for the offense, as he terms it. He stoutly denies citizenship at that place, and vehemently declares that while he has a good opportunity of claiming the best spot on the globe as his home he shall do so whenever the opportunity presents itself. Hereafter, no matter what mistake we might make, keep it in mind that the jovial colonel hails from Washington County, North Carolina, U. S. A.

The Insurance and Realty Co., together with some other industrial and development companies, of the South, are arranging for a great advertising campaign whereby the lands, climate and wonderful advantages of this section will be placed before home-seekers of the United States. The combination will open an office, or an information bureau, in the middle West, where home-seekers or investors may go and find what they want. This will be a great opportunity for land-owners to place their lands on the market and we hope Washington County will avail herself of the opportunity, and reap the reward. See the notice of the Insurance and Realty Co., in this paper.

Poles To Be Removed From Streets.

At a recent meeting of the Board of Councilmen it was ordered that all telephone, telegraph and electric light poles that are now located in the streets be removed to the curbing on or before August 1st.

Failure to obey this ordinance will cause owners of such poles to be fined \$5.00 for each pole each day that they are left in the streets after the date mentioned.

Serious Wind Storm.

Last Friday afternoon a severe wind storm struck here, preceded by low, heavy clouds and some rain. Many of the trees were stripped of limbs, and some property damaged resulted.

The greatest property damage, probably, was the wrecking of a new building being erected by Mr. E. R. Jackson at the foot of Water street. The building was torn completely down, entailing a loss of approximately \$500.00.

At the time of the storm the building, which was 79x22x22 ft., in proportions, was rapidly nearing completion. Some of the lumber used in the construction was saved.

Boy Scouts Raise Flag.

Yesterday morning Master Cyril Norman, Julian Brinkley and Ryland White, members of the Boys Scouts organization here, assisted by Mrs. S. N. Guley, raised the American Flag at the entrance of the Plymouth Garage & Motor Co.'s garage at the foot of Water street.

Whenever anything of a patriotic nature is to be done the Boy Scouts can be found on the job, as has been demonstrated on several occasions. Mr. L. W. Gurkin, the popular proprietor of the Plymouth Garage & Motor Co., also demonstrates a very patriotic spirit in procuring the flag and other things essential to its installation.

Sanderson-Swain.

On Sunday morning last at 10:30 o'clock at the home of the bride, Miss Annie Sanderson was quietly married to Mr. Leon Swain, by Justice J. T. McNair. The immediate members of the families and a few select friends were present.

Miss Sanderson is the daughter of Mr. and Mrs. Richard Sanderson, and is a young lady of many sterling qualities. She has been employed by Mr. J. C. Spruill for some time as a saleslady. She enjoys the confidence of numerous friends in this section.

Mr. Swain is a native of Roper, but has been living in Plymouth for some time, he being in the employ of the Wilts Veneer Co. Mr. Swain is a young man respected by all who know him for his quiet, easy manners and genteel demeanor.

The Beacon offers the happy couple its heartiest congratulations.

Cherry School Closes Most Successful Year.

On Thursday night, June 7th, the closing exercises of Cherry Graded School were held at their school building at Cherry. The exercises were all suggestive of the patriotic spirit of that community, and were rendered in a most pleasing manner.

Supt. Jno. W. Darden was present, and in a short address he pointed out the need for an extension being built on the school building to be used as an assembly hall and the music department. Mr. Darden suggested that a movement be at once instigated and plans be formulated to carry his suggestion through.

THE NEWBERRY CO.

Now located at Mrs. A. M. Ayers' old millinery store at Plymouth, N. C.

They Will Also Buy Eggs and Meat.

They expressly invite all who are interested to call and look over their stock.

THE NEWBERRY CO.

A. U. NEWBERRY, Mgr.

The people of Cherry are of the most progressive people of the county, and we have no idea but that they will all heartily cooperate with any movement started that will prove a benefit to the school.

At a recent meeting the County Board of Education agreed to allow Cherry School one-half month's funds above the regular appropriation should the people there raise a like amount with which the school be continued for an extra month. The teachers, working in such perfect harmony with the patrons and friends of the school, most generously agreed to teach for a half month without salary. This most commendable spirit is highly appreciated the people of the entire county, as well as the people directly benefitted by the conscientious liberality of the teachers.

The faculty of Cherry school consists of Prof. H. M. Ainsley, principal, his assistants being Prof. S. F. Burgess, Mrs. W. E. Spruill and Misses Heppie Carr and Estelle Chesson.

Do You Want To Sell Your Land?

We are now preparing a list of all LANDS that may be for sale in Washington County, including improved farm lands, range lands, cut-over lands, swamp lands, timber lands and town property.

We have arranged with a syndicate to extensively advertise these lands in every part of the United States, together with the great possibilities and remarkable advantages offered by Washington County.

If you wish to sell your land, or part of it, this will be a most excellent opportunity to place it before thousands of people in all parts of the country who are looking for a place to invest and make a home.

If you have anything to offer call on, or write us at once and let us help you to help yourself, and thus help develop Washington County.

If you wish to protect your property against fire, wind and lightning, or your family and estate against death, we will be glad to talk to you about it.

Yours truly,
THE INSURANCE AND REALTY Co.,
Plymouth, N. C. (adv)
