

NEW HEALTH LAWS

What the Legislature Did in the Interest of Better Health in North Carolina.

The last General Assembly, backed by Governor T. W. Bickett, enacted probably more modern and progressive health legislation than any other General Assembly North Carolina has ever seen. While there were several pieces of valuable legislation which failed of passage, there was enough other good legislation enacted to amply justify calling this a truly public health Legislature.

Chief among the new health laws enacted were a State-wide Quarantine Law, a Medical Inspection of Schools Law, a Rural Sanitation Law, a Law for the Prevention of Blindness, a Hotel Inspection Law, and a Law Requiring the Inspection and Hygienic Care of Prisons and Prisoners.

NOTICE OF LETTING CONTRACT.

The Board of Drainage Commissioners of Albemarle Drainage District (Beaufort County Drainage District No. 5) will on Monday, June 18th, 1917, at ten o'clock in the forenoon at the office of Small, MacLean, Bragaw & Rodman, attorneys for the said district, receive bids, either as a whole or in sections, as they deem most advantageous for the district for the work of construction of the proposed improvement consisting of a main canal, entrance laterals and two sublaterals as outlined in the final report of engineer and viewers filed with the Clerk of Superior Court of Beaufort County on April 11, 1917, together with certain incidental work as therein specified.

The estimated excavation of main canal is 612,233 cubic yards and of laterals 2,540,889 cubic yards. The intercepting canal is also to be enlarged and cleaned out as specified in said report, and estimated at 93,300 cubic yards; certain fills and bridges are also to be constructed as described in said report.

The contract will be based on the plans and specifications submitted by the engineer and viewers in their final report, and as confirmed by the court, the original of which is on file in the office of the Clerk of Superior Court of Beaufort County, and is open to the inspection of all prospective bidders; but the Board reserves the right to correct errors and modify the details if, in their judgment, they can increase the efficiency of the drainage plan thereby without increasing the estimated cost.

The entire work must be complete within three years from June 15, 1917, and the contractor will be required to give credit and pay for the work heretofore done at the contract price.

Any further information will be furnished by said attorneys or by F. M. Edgerton, Supt. of construction, Belhaven, N. C.

Bidders will be required to deposit check for \$1000.00 as a guarantee of good faith, and the contractor will be required to give bond in an amount to be fixed by the Board.

This June, 1917.

W. H. Williams Chairman
F. D. Hackett Jr. Secretary

NOTICE!

By virtue of authority conferred in a mortgage executed by Dexter Hoyt and wife to A. T. Gaylord on the 23rd day of December, 1907, and recorded in the Register of Deeds office of Washington County in Book 51 at page 201, I shall offer for sale at public auction at the court house door in Plymouth on Monday, June 25th at 12 o'clock M. the following described property:

Beginning at the right of way of the A. C. L. R. R. Co., on Madison street, extending along said street to a lane, formerly the line between this land and E. R. Latham; thence westward with E. R. Latham's line to the right of way of the A. C. L. R. R. Co.; thence with said right of way to the beginning. Terms of sale, Cash.

This 21st day of May, 1917.

Mrs. J. O. EVERETT,
Executor of A. T. Gaylord.

Our French Drip coffee, per pound.....	28c

Boy Wanted good chance for advancement.

Why the Family Favorite Coffee is the best coffee sold for the money you pay! Tin cans now cost from 6 to 8c apiece, besides the expense of the fancy label that gives the can such a beautiful send-off, which all must be figured in the quality of the coffee they use. The Family Favorite Coffee comes in a plain paper bag which gives us the expense of putting in a can to add to the quality of the coffee we use, and is parched every week so as to hold its aroma and freshness. You know the difference in the taste of a fresh biscuit from the taste of one which has been baked a week. The same applies to coffee, for it will get stale and taste flat, especially during the summer months. The grades of coffee we use are sold in 175 coffee and tea stores that sell nothing else, and is used in hotels, cafes and by thousands of economical house-wives. We have many pleased customers in Plymouth and Washington County, and we are gaining new ones every day, for when once tried we have no trouble. If you are out of town you can deal with us; we send parcel post prepaid to any address within 300 miles in 5-lb lots of our 25, 30 and 35c grades of coffee. Address 311 E. Freeman St., Norfolk, Va.

"When you pay more than Fisk prices, you pay for something that does not exist."

No Wonder This Man Smiles!

HE has found a real Non-Skid tire—one of the few tires with tread so constructed that it actually protects against dangers of wet pavements and muddy roads. And the price is fair and right.
