School to Open Sept. 12th.

The Plymouth Graded School will begin its 1917-18 session on September 12th.

The old Baptist Church will be repaired and otherwise improved for the use of the Primary grades, the school building being too small to accommodate the entire attendance.

The school work this year will be under the supervision of Prof. Jas. W. Norman, who has filled that position for the past four years. He will be assisted in the high school by Miss Virgie Rodwell of Macm, N. C., and Rev. B. O. Myers of Lexington, N. C., the pastor of the local Baptist Church.

The Elementary and Primary departments will be conducted by Misses Dorothy Willey, Sadie Chesson, Ruth Bateman and Carrie Smith, they all having taught here for the past few years.

It is earnestly hoped by the entire faculty that each and every patron of the school will co-operate in every way possible with them in making this session one of many and great accomplishments.

Canning Club to Meet.

The Canning Club will meet at the Graded School building next Friday afternoon, Aug. 24.

Each member is urgently requested to attend, as special questions will be dealt with that require united action.

Miss McQueen, the County Demonstrator, requests us to ask each member of the County Canning Clubs to give in the number of quart jars that have been prepared, at the last meeting in this month, so that her report can be made accurate.

Secretary.
