### Booth—Hornthal.

On Monday morning last at 7:00 o'clock, at the residence of the bride's parents, Mr and Mrs. L. P. Hornthal, Miss Gladys Inez Hornthal was quietly married to Mr. Alfred L. Booth of Cape Charles, Va., Rev. Mr. Lawrence of the Episcopal Church performing the ceremony in the presence of the family and a few intimate friends.

The happy couple left immediately on the 7:30 train for their future home in Cape Charles. Our best wishes go with this popular and happy couple.

### Washington County Community Fairs.

These fairs are to be held at Roper, Oct. 10th and 11th, and at Plymouth Oct., 25th.

Every one is invited, regardless of where you live. You are asked to bring as many exhibits

as you will. There will be no charges; every thing absolutely free. These fairs are educational. We know much can be learned by comparing farm and household products.

Let every one take a personal interest in this work, feeling that it is his or her fair. If this spirit prevails, Washington County can have no superior in Community Fair exhibits.

### Creswell School Opens September 10th.

At a meeting of the committee last week it was decided that the Creswell School should open Sept., 10th.

Due to the conditions existing while the new building is in progress, the school work will begin in the old Academy building and Hopkins' Hall. At the meeting it was also decided that beginners can enter school during the month of September, but not again until January, 1918. It is

hoped that this will aid the primary work and eliminate the custom of beginners entering at any time during the year. All things are now pointing to a most successful school year at Creswell.

Respectfully,  
H. R. FREHN,  
Principal.

### Club Reports.

So far as we have been able to get the returns the Women's Canning Clubs of Washington County have put up 8,551 cans and jars of fruit and vegetables. This is a good record, when we realize the work was begun only about two and a half months ago.

An immigrant boy, he ran errands for a Philadelphia store—worked, studied, saved

a little out of meager earnings against later needs. And during the Revolutionary war Morris gave generously of his resources for the blessed cause. His savings helped make the Nation.

It is unlikely you will be called on to supply funds to conduct a war for Independence. It is quite likely, though, that you will need savings to tide you over a family sick spell or save you from misfortune. Have you set aside anything for the rainy day?
