Great Removal Sale at the NEWBERRY STORE Plymouth, N. C.

We take this method of informing the public and our patrons that we have rented the large double store opposite the Brinkley Hotel formerly occupied by Mr. Henry Spruill, and we expect to move into it at an early date.

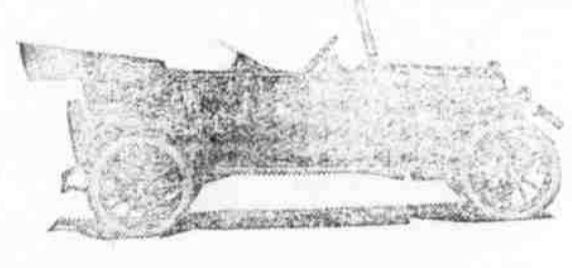

We have quite a large stock of general merchandise on hand which we wish to reduce before we move. In order to do so we will sell all goods AT COST, every day in the week except Saturday until further notice. Remember it is said, "The early bird catches the worm," so come early and get the best selections.

We have now on hand two brand new new Ford Automobile tires and tubes, which we will sell at a reduced price, as we have no use for them.

We are now sole agents here for The Butterick Publishing Co., and have on hand a Very Large Stock of patterns. Also have Delineators, Quarterly Books and Embroidery Books for sale.

We pay spot cash for black-eye peas. THE NEWBERRY CO. A. U. NEWBERRY, Mgr

MAXWELL

\$745
F. O. B. DETROIT

Straight and sure—like an arrow that flies from the bow and imbeds itself in the bull's-eye—

So have the Maxwell builders fixed a price for their product—\$745—which makes it possible for them to say:

"Below this figure there must be something lacking which we have put into the Maxwell—efficiency, durability, economy, comfort, beauty or standard equipment.

—and above this figure we could give you no greater practical utility—only larger size or richer and fancier furnishings."

This is the scientific fact—proved and demonstrated by one of the giants of the motor car industry in years of production on an immense scale.

And we stand firm on this finding of the Maxwell builders.

We believe the Maxwell to be the BEST MOTOR CAR INVESTMENT possible today.
